2021 South Australian Tourism Awards

The winners and medallists of the 2021 South Australian Tourism Awards were announced at a Gala Dinner on Thursday, 4 November 2021 at the renowned Adelaide Oval.

Our region was represented by three outstanding tourism operators from the region including Naiko Retreat, Smiling Samoyed Brewery and The Backyard Universe.

Smiling Samoyed, the pride of Myponga, was a finalist in the hotly contested Tourism Wineries, Distilleries and Breweries category, which recognises wineries, distilleries

and boutique breweries that offer a cellar door experience and create a significant contribution to tourism.

The Backyard Universe was a third-year finalist in the Cultural Tourism category. This category recognises tourism businesses that foster a greater understanding and appreciation of authentic culture, history, heritage and/or the arts.

Naiko Retreat were winners on the night taking out Gold in the Self-Contained Accommodation category and being awarded Bronze in the Ecotourism category with

its contemporary self-contained accommodation overlooking the Backstairs Passage. Naiko Retreat will now represent Fleurieu Peninsula and the State at the National Tourism Awards to be held on the Sunshine Coast, Queensland 4 March 2022. We wish Naiko Retreat the best of luck on the National stage.

Congratulations to all our Fleurieu Coast Tourism Operators who made the finals, we are so proud that our region excels in providing outstanding visitor experiences recognised across South Australia.

District Council of
YANKALILLA

CEO's Corner

Ask the CEO (Nigel Morris)

Q1: Who owns the Wirrina Reservoir? I have been at several community events lately and there seems to be a lot of conjecture around the ownership of the Wirrina Reservoir... some people saying SA Water, others saying the DCY. It was my understanding that at the time of the transfer to SA Water of Wirrina water and sewer on 1/7/19 that ownership of the lake would stay with the Council. An FAQ document by SA Water at the time clearly states DCY would own and maintain the reservoir and I am sure DCY put out something to the same effect. Sally

Response: I can confirm that the Wirrina Reservoir is still owned by District Council of Yankalilla and SA Water have permission to draw water from it. The parcel of land is referenced in our Community Land Management Plan that can be found on our website.

Submit a question by emailing govadmin@yankalilla.sa.gov.au

2021 Planning Institute of Australia Award Win

Southern & Hills Local Government Association (S&HLGA) at the Planning Institute of Australia Awards won the Award for Planning Excellence for our "Accessible Destinations in the S&HLGA" project. This project assisted member Councils, including the District Council of Yankalilla's staff to be aware, understand and incorporate the design principles in public realm spaces for 'universal access'. Universal access is for all users but especially for those with a disability.

Mayor's Corner

Another Month down as we move closer to the end of the year.

There have been many questions asked about the Myponga Music Festival. After meeting with the committee during October, I am pleased to advise that despite the many COVID related delays they are planning to push ahead with the Festival with a current proposed date of late November 2022.

The results of the External Audit were presented to the October meeting of the Audit Committee. Pleased with the external auditor providing feedback that they are happy with Council's financial results and they are of the belief that Council has a good and upfront financial team.

Applications for Council's small community grants have closed, and the assessment committee has met to review the applications received. This year the total value of the applications was below the budgeted allowance. At the November Meeting of Council, these applications were approved, and all applicants will be contacted to advise the outcome.

I attended my first Local Government Association (LGA) Conference and AGM held at the Adelaide Entertainment Centre, where representatives from all Councils throughout the state attend with the same process as a Council Meeting, albeit on a much larger scale.

Several awards were presented during the conference with Southern & Hills Local Government Association (S&H LGA) winning the award for 'Excellence in Public Health'. Presented by Chief Public Health Officer Professor Nicola Spurrier and Minister for Health and Wellbeing Stephen Wade, the award recognised the program developed by S&H LGA identifying community

wellbeing indicators for SA, looking at the health of our environment, the opportunities in our places and the strength of our community.

S&H LGA is a group of Council's consisting of Adelaide Hills, Mt Barker, Alexandrina, Victor Harbor, Yankalilla and Kangaroo Island.

I recently attended the STEAM Expo held at Victor Harbor Primary School.

Yankalilla Area School were well represented, winning a number of awards in year level categories.

- R – Year 2: 1st, 2nd and 3rd Place Winners
- Year 3 – 4: 1st and 2nd Place Winners
- Year 5 – 6: 3rd Place Winners

Projects ranged from collapsible bins, edible cutlery and sonar detecting fish traps to reduce by-catch in the fishing industry.

It is amazing to see all the designs and how they could be adapted in to our environment in the future.

Well done to all involved and congratulations to our local winners.

Works have continued around the District with the new Bus Shelter now installed at the Village Green and the completion of the new Pump Track installed at the Yankalilla Youth Park. The Pump Track project was jointly funded by the Local Roads and Community Infrastructure Program, Department of Human Services Youth-Led COVID Recovery Grant and Yankalilla Council.

Council are also working on trails and infrastructure in the Second Valley Forest with \$130k of funding towards the first phase of the project. This will include over 13km of multi-use trails for locals and visitors to experience. Another exciting project being undertaken in our district.

**Simon Rothwell
Mayor 2021**

Rates Reminder - 2nd Quarter Due 1st December

2nd Quarter Rates notices have been issued and payments are due by 1st December 2021.

If you are having difficulties making this quarters payment, please contact Council 8558 0200 to discuss your options.

Ask the Mayor's Dogs

Q1. Dear Councillors, my name is Archie and I like to go on walks. I love the beach. One of my favourite walks is from Carrickalinga along the beach to the Jetty Café. My Dad has a nice lunch and I eat a dog biscuit. They are nice people and they like dogs. Sometimes I meet other dogs who also do this. They wag their tails and seem to be happy.

Now I hear you are building a new café where there will be no place for me. I won't get my biscuit and my Dad won't get his lunch because we like doing things together. Why are you doing this to man's best friend? Dogs create economic activity too. Please paws and consider.

Regards Archie
(Rabbit Chasing Expert)

Response: Hi Archie, unfortunately there are some misleading tails wagging in the area.

Our dad is the Mayor and he told us that you will still be able to sit with your dad and have your dog biscuit while he is having lunch in the proposed new building. The new kiosk on the ground floor will have an undercover area where you can both come straight from the beach and sit (provided you are on your lead). The new kiosk area will be able to be enclosed when needed or you can sit in the new plaza area.

It has our sniff of approval and will have tails wagging when completed.

Regards Digger and Milli
(Ball Chasing Experts)

Dogs on Beach During Summer

The weather is warming up and our beaches are getting busier. To make sure everyone can safely enjoy the beach, we have restrictions in place for walking your dogs on the beaches over the summer period.

From 1 December to 28 February dogs are to be on-leash and under effective control from 10am to 6pm on the following beaches:

- Morgan's Beach
- Rapid Bay Beach
- Second Valley Beach – East of the causeway/jetty only
- Myponga Beach - East of the pedestrian access point
- Lady Bay Beaches – From Little Gorge Outlet to South of the Bungala River estuary
- Carrickalinga Beach - Between Carrickalinga River and Carrickalinga Head
- Carrickalinga Beach - 100 metres either side of the beach access by the public toilets

Outside of these time dogs are permitted off-leash, but always under effective control.

Please remember to follow the local signs which are in place to protect the critically endangered Hooded Plovers.

Council encourages you to familiarise yourself with on/off leash restrictions on the beaches where your furry friend likes to run. Refer to signage or visit Council's website for complete details.

Fire, Fire, Go Away, Come Again No Other Day...

Does this sound familiar? This bushfire season, remember to be prepared, make a plan and stay informed. Here's what you can do to keep you and your loved ones safe:

Prepare now: clear around your property, have an emergency kit ready and know the difference between your Bushfire Safer Place and Bushfire Last Resort Refuge.

Plan ahead: do your five-minute bushfire plan and share it with loved ones today, and plan for all your pets and livestock.

Stay informed: check the fire danger rating each day and stay informed

using more than one source of information in case a fire starts near you.

Why risk it? Act now to be bushfire ready.

Resources available at <https://www.cfs.sa.gov.au/prepare-for-a-fire/>

Events Trailer on the Move

You may be seeing the newly completed events trailer around the region which is being used to facilitate equipment for local community groups staging events.

Much to the excitement of our local community groups the events trailer has been 'out and about' most weekends and with the busy summer events calendar coming up, it's going to be in high demand over the busy period.

The popular events trailer comes complete with bunting, orange traffic cones, community event signs, droppers, dropper post driver, dropper caps, T-top bollards and bases, dropper remover, barrier cone bars and several light weight cable guards.

This is more than enough to service local community events and some of the bigger events in our local region.

We also have other equipment available for hire at the Fleurieu Coast Visitor Centre, which includes the Yamaha powered speaker kit, portable projector & screen, 3m x 3m Fleurieu Coast marquees and a microphone kit.

To enquire about booking the events trailer, or other equipment, from the Fleurieu Coast Visitor Centre call 08 8558 2040, email us on cooee@visitfleurieucoast.com.au or just pop in and speak to one of our friendly team members.

Minister's Excellence in Public Health 2021 Award (S&HLGA)

Southern & Hills Local Government Association (S&HLGA) has been awarded as the Regional Winner of the Minister's Excellence in Public Health for 2021 for their Community

Well Being Indicators Project. The project focused on looking at the health of our environment, the opportunities in our places and the strength of our community.

Normanville Beach Vehicle Access

We've been working with the Normanville Boaties Group through their community representative Josh Jenkins, and as per the group's request a gate was installed at the boat access point recently.

We know the gate won't stop people getting bogged, but we do hope it

deters non-4WD vehicles from trying to drive on the beach and removes some of the conflict between pedestrians and vehicles.

A sign has been affixed to the gate explaining the rules for access.

Yank Youth go Paintballing

Fleurieu Coast Youth Advisory Committee (YAC) is made up of young people aged 12-25 years who meet regularly to plan events, determine the risks and barriers involved in them, work through issues and assist in delivery of local events and activities for youth.

Earlier this year YAC identified participating in Paintball to be one of the priorities for experiences they wanted to be involved in. They thought Paintball would give them an opportunity to get to know each other in a different context and develop their communication and ability to work as a team.

We were very pleased to provide them with the opportunity to achieve this outcome on Sunday November 14th when the group

travelled to Paintball Sports for this purpose.

YAC provides a great opportunity for young people to be heard, develop skills, and aims to get young people actively involved in their local communities. YAC provides opportunities to young people to participate in youth-related projects, conduct events and influence decisions on issues important to young people. In the process, it gives young people the opportunity for personal growth, to acquire and refine leadership skills and to develop as young people.

YAC members meet monthly and updates can be found on our socials at Yank Youth on Facebook and @ fleurieu_coast_yac on Instagram

iPad Winner Donates to School

The District Council of Yankalilla recently ran a competition where ratepayers could be in the running to win an iPad if they paid their rates in full by 1 September 2021. The randomly selected winner was drawn at the September Meeting of Council.

The generous ratepayer who won the prize kindly requested that Council donate it to Yankalilla Area School.

Mayor Simon Rothwell had the pleasure of presenting the iPad to Yankalilla Area School Principal Sonia Parker, who wished to thank the anonymous ratepayer for their kind donation.

Hook Line & Thinker Bins on the Fleurieu Peninsula

During summer the number of people fishing along our coastlines increases. Fishing litter is harmful and does not degrade, lasting up to 600 years in the environment. To protect our unique and fragile environment here on the Fleurieu Peninsula it is important that people fishing off local jetties take care to properly dispose of fishing tackle.

The Fleurieu Environment Centre and District Council of Yankalilla have

joined forces to provide TAngler Bin's for the proper disposal of unwanted fishing tackle. You can now find "Hook, Line and Thinker" bins installed on the Normanville and Second Valley jetties and a third soon to be installed on Rapid Bay Jetty. These bins can be used for the safe disposal of fishing materials such as old line, netting, sinkers, hooks and lures. Volunteers from the Fleurieu Environment Centre will

collect the deposits, record the type of waste collected and dispose of it correctly to ensure it doesn't end up in the ocean.

This initiative has also been supported by Ocean Watch Australia, Green Adelaide and the District Council of Yankalilla's What'SUP single use plastic reduction program.

FRWA Recycling Survey

Last year FRWA conducted a Summer Recycling Collections Trial to determine if weekly recycling and FOGO collections over the summer period increased recycling and diverted waste from landfill. To complete the recommendations from the Summer Recycling Collections Trial final report 20/21, FRWA will conduct bin audits and engage with the community to further understand and develop the most effective recycling and waste management service for the summer period.

Part of this community engagement is a Recycling Survey, where residents who complete the survey go into the draw to win a \$200 visa gift card.

You can complete the survey online here by scanning the QR code with your phone camera or a QR Reader app.

Yankalilla Library's A Cuppa, Chat and Craft Group

Over the last few years the Library has been hosting a group that meets every week on Tuesday afternoons. The inspiration of a local artist, the primary purpose of the group aims to support social connection and personal wellbeing. In a friendly, casual and relaxed atmosphere, participants bring along their own craft projects to work on.

The following are some testimonials from the group's participants:

"It gets me out and meeting new people. I like that there is an understanding in the group. Coming to craft group has been very good for me. We also get to show off our talents to each other."

"I look forward to the craft group each week. It's a small group of beautiful ladies where we can get on with our different craft while having lovely chats all in the welcoming library."

"As a newbie in the district, I am finding the craft group so welcoming and caring. I love the

chats, local knowledge, sharing of common interests, gaining different perspectives and see a range of crafts, talents and skills. Attendance also ensures I take much needed time out for me and enables me to meet local people with similar aspirations. A relaxing, fun atmosphere!"

"I have found this craft group to be a great place to just be myself with others in the community. It has a very welcoming feeling with no judgement about what you decide to bring. I highly recommend it!"

"Coming to our weekly craft group session is both refreshing and replenishing. As a work from home woman, life can get a little quiet and even lonely at times. Chatting, laughing and sharing with this lovely group of people each week is very good for mental health and staying connected with the local areas. It is an enjoyable and safe space to be a part of. We are constantly inspired and in awe of each other's talents and the individual crafts that each of us bring along every week to be worked on."

"Welcoming, kind, easy, real, worthwhile experience"

The group has a small but steady following but there is always room for more. If you are interested, please contact the Yankalilla Library - 8558 2043.

Letters to Santa

The Christmas magic is back in the District Council of Yankalilla and Santa's letterbox is back in the main Council office, ready for all the letters full of wishes from children of all ages!

Bring your own letters or use the Christmas paper by the letterbox to write your letter.

To help make sure the elves have enough time to deliver the mail directly to Santa please post your letters by the 13th December. All letters will receive a reply from Santa!

Role to Support Agribusiness

Council's Strategic Plan 2030 and our Economic Development Strategy 2020-2025 recognises Agriculture as a principal driver of our economic activity and the largest provider of jobs. During public consultation for these plans, we were told there was a need for an Agribusiness Development Officer to connect producers with those who can assist beyond the farm gate and to support the continued evolution of the agricultural sector.

Council has now hired Shane Mills, as our new Agribusiness Development Officer. Shane was the former CEO of Kangaroo Island Pure Grain and come to us 30+ years in agriculture, specifically broadacre & pasture agronomy, seed & grain sales, oilseeds accumulation, export of grains and pulses, market development, vineyard management, business management and holds a Diploma of Applied Science in Agriculture and a Diploma of Viticulture.

Shane will be working in partnership with local agribusiness and Government agencies to;

- Develop and maintain partnerships with local

agricultural and food businesses to

- o Provide the first point of contact for information about relevant government programs and assistance that may benefit their business
 - o Identify and deliver activities to support workforce planning
 - o Facilitate networks and clusters which encourage enhanced connectivity with the food supply chain
 - o Understand government programs and services which support businesses and economic development and prepare funding submissions
- Work with agribusinesses in the areas of regenerative farming, agricultural technology, food processing, water security, roads, workforce development, agricultural tourism, biosecurity, biodiversity, development of a local produce plan, local food brand and training and education
 - Provide advice to potential, new and expanding farmers/ businesses to assist them to build skills and capacity to grow the region
 - Maintain a sound knowledge of international, national and local issues impacting the agribusiness sector and develop strategies to manage these issues at the primary producer level

- Keep up to date on the challenges facing rural industries to assist with business enquiries and support advocacy opportunities

If you are an Agribusiness that would like to get in touch, please contact Shane via email Shane.Mills@yankalilla.sa.gov.au or phone **8558 0200**.

Managing Food Waste Responsibly Workshop

On Monday 25 October, the Fleurieu Environment Centre hosted a community event in conjunction with Plastics Free SA, Fleurieu Regional Waste Authority and the District Council of Yankalilla at Forktree Brewery to help support hospitality businesses reduce and recycling their packaging and food waste responsibly.

Four food businesses attended and have all shown great interest in starting with weekly FOGO and moving to compostable packaging. Smiling Samoyed Brewery, Normanville Kiosk & Café, Southbound Diner and One Little Sister Café have signed up for the Weekly Food Waste Service.

Myponga Parkrun

Are you an avid walker or runner? Perhaps you are looking to make new social connections or get motivated?

We are looking at launching a parkrun locally and are seeking support from the community support to get it off the ground.

All Parkrun events are timed and are added to your history AND every time you volunteer that is also recorded. What a great way to give back to the community!

Each event requires 5-6 volunteers to be run. Could you spare some time

once a month for that? Connections have already been made within parkrun and grants have been submitted.

If you are interested in getting on board or being kept in the loop, please contact Tia Russell tia.russell@yankalilla.sa.gov.au

More information about Parkrun around Australia can be found <https://www.parkrun.com.au/>

Which Bin? Green Bin...

With some single use plastic products now banned in South Australia, some of the alternate products available in our community can now be composted in your Green Bin.

Items such as coffee cups, disposable cutlery, plates & even pizza boxes can be added to your green bin to be composted at a commercial compost facility.

To make sure the item you are disposing of is safe for your green bin, check that it is marked with the AS 4736 logo. This logo certifies the material can be composted through your green bin at a commercial compost facility.

If you have a home compost bin, items with the AS 5810 logo are safe to compost at home.

More information about what can go in your green bin can be found at www.whichbin.sa.gov.au

2022 Australia Day Celebrations

After the success of the 2021 Australia Day Celebrations having a change of scenery, the District Council of Yankalilla will once again be holding a COVID-SAFE Australia Day Event at Yankalilla Memorial Park Oval.

Council will be presenting awards to the district's Citizen of the Year Award Category Winners & presenting certificates to our Community Grant Winners.

Where: Yankalilla Memorial Park Oval

**When: 9:00am
Wednesday 26 January 2022**

We are all part of the story so bring your family and friends together to Reflect, Respect and Celebrate Australia Day 2022.

Council Decisions

The following will provide a summary of the decisions made at the 16 November 2021 Council Meeting. As always, we encourage you to read the complete agenda and minutes to get the details and a greater understanding of topics at www.yankalilla.sa.gov.au/council/agenda-and-minutes

Mayor's Report

The Mayor's report was noted.

Reports of Members, Delegates and Working Parties

Two reports from Cr. Rowlands were received and included in the minutes.

Reports of Officers

Chief Executive Report

The report was received and noted the awards for Excellence in Public Health and Planning Excellence received through Council's involvement with the Southern and Hills LGA.

Council Committee Minutes

The minutes of the Audit Committee meeting held 25 October 2021 were received.

Annual Report and Financial Statements 2020/21

The report was received and Council adopted the 2020/21 Annual Report and Annual Financial Statements.

First Quarter Budget Review 2021/22

The report was received and Council adopted the advised variances to the 2021/22 current budget.

Allocation of Community Grants Program Funding 2021/22

Council received the recommendations from the Grants Assessment Panel and approved the recommended allocations of Community Grant Funding.

Waste Collection Efficiencies and Rating

The report was received and Council resolved that a rates review discussion would be provided to Elected Members at an Elected Member Forum prior to the commencement of the 2022/23 Budget Process.

Normanville Beach Access for Vehicles

The report was received.

RDA AHFKI – Funding Agreement Extension – Regional Development Australia, Adelaide Hills, Fleurieu and Kangaroo Island Inc. (RDA AHFKI)

The report was received and Council resolved to enter into an agreement to fund RDA AHFKI for a further 3 years.

Audit Committee Terms of Reference

Council adopted the the Amended Audit Committee Terms of Reference.

Updated Treasury Management Policy

Council adopted the Updated Treasury Management Policy.

Southern and Hills LGA Charter Review

Council approved the reviewed Southern and Hills Local Government Association Draft Charter as presented in November 2021.

Adoption of the Amended Code of Practice for Access to Meetings and Documents

Council adopted the amendments to the Code of Practice for Access to Meetings and Documents.

Letter of Support Request – Yankalilla Area School – School Zone

Council resolved that it did not support the proposed extension of the school zone in the current format and that they would write to Dept. of Infrastructure and Transport to enter into discussions regarding drop off points for school buses and parents.

Council Owned Land

The report was received and Council resolved that the topic of community owned land be a topic at a future Elected Member Forum for discussion.

Regional Subsidiaries and Other Organisations/Entities

Fleurieu Region Community Services Advisory Committee Minutes

Council received the minutes of the meeting of the Fleurieu Region Community Services Advisory Committee (FRCSAC) meeting held on 12 October 2021.

Other Business / Admission of Late Items

Council resolved that the Chief Executive be granted leave from 22 November 2021 to 28 November 2021 and that the Chief Operating Officer be appointed to the act in the position of Chief Executive during the period of leave.

Confidential Items

Lease Renewal Request – Normanville Beach Café

The report was received and Council resolved that the current Normanville Café Lease on renewal included modifications to allow the temporary usage of "Service Area D" as well as modifications to the trading hours. That administration negotiate with the leaseholder or their representative to remove the clauses regarding internal and external repainting given the premises are scheduled to be demolished within the year.

Upcoming Agenda Items December 2021

- Australia Day Award Selection
- Status Update for Council's Accountable Documents
- Chief Executive – Annual Review
- Update on the Actions of the Economic Development Plan
- Options for Track adjacent Maple Lane Hay Flat following local consultation
- Future Leases – Surf Club and Kiosk/Café (if available)

Meeting dates

Council meetings are held the 3rd Tuesday of each month at 4.00pm.

Agendas are available the Friday prior to the meeting and Minutes are available the Friday after the meeting, both on Council's website.

In line with COVID Capacity restrictions, places in the public gallery are limited and bookings are essential. Please contact Council on 8558 0200 to secure your seat.
