School Holiday Programs at Yankalilla Library are back!

In the past, because the Yankalilla District is such a holiday destination, the library's school holiday programs have been popular with families visiting the area and locals alike. Now with the library functioning in our new space, we are happy to see that our holiday programming is again appealing to both locals and those children visiting with their families or spending time with their grandparents.

Our April School Holiday Program had a marine science theme and we were delighted to have 21 families visit with 41 children who thoroughly enjoyed the activities we offered.

During the first week, the session was based around Sea Sprouts: jellyfish and sea anemone creations, with children engaging in sea songs and stories and having fun creating their own sea creatures.

At the second session we invited Janine Baker, a Marine Ecologist, to talk about sea stars. She presented interesting facts about various species found in South Australia, especially those from around Rapid Bay and Second Valley. Janine emphasised the importance of not removing these creatures from their environment. The children then created their own sea stars. Additionally, the second week

saw the children making origami sea creatures. Finally, in the last session, budding artists designed, shaped and painted a 3D masterpiece.

During the school holiday period, we also gave away 40 activity bags, each featuring craft activities such as making a yarn turtle, a penguin racing game and tangram pictures. We were happy to see the bags were well received and we hope that they provided some creative fun for the children during their holiday break.

Thank you to all who attended our holiday program and picked up activity bags. We hope to see you all again soon.

MAYOR'S MESSAGE

It is my pleasure to report that the 10th Festival Fleurieu was a resounding success, thanks to the efforts of the dedicated organising Committee. I would like to congratulate them on putting together a dynamic and innovative program that truly celebrated the arts, culture, community and environment of our District.

One of the highlights of the festival was the magnificent ART Exhibition, The Mistletoe Block Project, which was held at the Myponga Hall. I was thrilled to see so many renowned local artists using various media to showcase the land, vegetation, birds, and animals of Mistletoe Block.

I also had a wonderful time at the Rocking The Cape event at Cape Jervis Community Club and The Flaming Sambucas at Second Valley Hall. It was heartening to see such a great turnout and I am grateful for the positive feedback from everyone who attended.

On another note, the draft 2023-24 Annual Business Plan & Budget Community Consultation has begun with a drop-in session at the Yankalilla Library. While the economic climate has presented

its challenges, I want to assure you that the Council is committed to being financially prudent and aligned with sound long-term financial management. It is our goal to set ourselves up for future and sustained success and we need your feedback to achieve this.

I urge all residents to consider the draft 2023-24 Annual Business Plan & Budget and provide feedback on how we can best prioritise our deliverables. Every piece of feedback will help the Elected Members to make the best decisions for the community we serve.

Finally, I would like to extend my gratitude to Don Law for inviting me to the Men's Shed for a demonstration of new machinery. It was great to catch up with the guys and see the impressive range of items they can now produce. I look forward to involving them in some of the Council's upcoming projects.

Warm regards,
Darryl Houston
Mayor

How to stay

Council delivers its news in different formats, and you have the option of receiving it in the best way that suits you!

Pick up a hard copy in Council facilities and various public outlets throughout the District. Alternatively, you can find monthly editions and subscribe to receive it by email, by scanning the QR Code below or visiting https://bit.ly/dcy_intheloop

If you cannot access our news in any of the above formats, request to have a hard copy posted to you by calling us on 8558 0200 or by emailing council@yankalilla.sa.gov.au

CEO'S CORNER

Since I commenced as CEO, I have heard a clear message from our community expressing a desire to be truly heard. Quite rightly, our community has expressed a strong desire to participate in decision-making processes that impact their daily lives. As a Council, our team have taken this feedback on board and have worked hard to reimagine the traditional approach to our Annual Business Plan & Budget Consultation for the 2023-24 Financial Year, which is 'live' now.

We have made it less formal, more interactive and have made our key people available to discuss the community's expectations, priorities and desires. Our informal Q&A Drop-in Conversations have provided an excellent opportunity for one-on-one conversations with our Executive Leadership Team and some Elected Members. These conversations have allowed us to listen, to answer questions and to provide clarity to members of the community.

We believe that it is essential to engage with our community to shape the final version of the plan and are excited about using the community feedback to guide us in creating a

plan that reflects their priorities and expectations.

We continue to encourage all members of our community to participate in the consultation process, which is open until 23 May 2023. We value your input and encourage you to visit YourSay Yankalilla to provide your feedback. Your feedback will help us to create a plan that reflects the values and priorities of our community.

Nathan Cunningham
Chief Executive Officer

Yankalilla District Council Secures Funding for Community-Driven Drug Action Programs

The Community Team here at the District Council of Yankalilla is excited to announce that we have secured funding of \$18,130 through the Local Drug Action Team (LDAT) program supported by the Australian Drug Foundation.

This funding will enable the following programs in our District:

- A range of club development activities that will hopefully begin to change knowledge, beliefs and intention to act around alcohol and other drugs in the sporting community. The sessions will include Responsible Service of Alcohol training, Mental Health First Aid training, safe transport and alcohol and other drug education.
- Parent education sessions open to the community and held at three different locations, aiming to increase parents' and community members' confidence and resilience skills in parenting. The three sessions will be delivered by parenting and child development expert, Mark Le Messurier.
- Youth-focused positive programs to be delivered in partnership with RecLink and Yankalilla Library, to provide opportunities for young people to engage in activities not typically offered in our region. These programs will be recreational activities and Dungeons and Dragons groups.

We thank the local community who have been integral in this process to date, offering valuable input, support of programs to be delivered and continuing contributions.

Please keep watching for further promotion of these programs.

Community Changemakers Summit 2023

Young Voices/Big Impact

A free, state-wide event for young people aged 12-25 held at the SAMHRI building on Saturday May 27 from 9am to 3.30pm.

Connect with other trailblazers, learn from expert leaders and be inspired by the incredible work that young people are doing in communities across South Australia.

Key themes explored throughout the day:

- Government and Democracy
- Influencing and Leading
- Action and Sustainability

Led by the City of Onkaparinga, the summit has been co-designed with young people across South Australia and partners: Youth Affairs Council of SA (YACSA), Ripple and the Local Government Youth Development Network (LGYDN).

This project has been supported by the Local Government Research & Development Scheme administered by the Local Government Association of SA.

To register, visit <https://communitychangemakerssummit.com/>

Big Impact**

Night At The Musuem

Bean bags, popcorn, and perfect weather made for a delightful evening outdoors for over 80 people who attended the Night at the Museum event on Monday 24th April, at the Fleurieu Coast Visitor Centre. The event was featured in the Festival Fleurieu program from the 21st to the 30th of April and was coordinated by the staff from Council and volunteers.

The highlight of the night was the screening of the Ben Stiller movie, Night At The Museum, on the big OPTUS screen. The movie was enjoyed by everyone, young and old, and the free popcorn was the perfect snack to accompany the movie.

In addition to the movie screening, free entry to the museum was also available and approximately 50 people took the opportunity to view the museum and exhibits during the event. It was an excellent chance for families to spend some quality time together and learn more about the local history.

The success of the Night at the Museum event would not have been possible without the help of OPTUS, Festival Fleurieu, The Museum, Barking Bean, and Little Turk. We are grateful for their support and contribution to the event.

We would also like to extend our gratitude to the many families who came along to support the event. It was fantastic to see so many people enjoying themselves and spending time together as a community.

The Night at the Museum event was a resounding success. Thank you to everyone who contributed to the event and we look forward to seeing you all at the next community event.

An invitation to have Your Say

South Australia's new planning system has broadened development opportunities within the Golf Course Estate Zone at Wirrina Cove.

Is it time to review planning policy at Wirrina Cove?

We invite you to join this conversation online and learn more at:

www.yoursayyankalilla.com.au/wirrina-cove-zone-review

You can join us in person at the:

Wirrina Cove Planning & Design Code Review Drop-In Session:

- Second Valley Hall, Monday 22 May 2023, 3:00pm - 6:00pm

Community Engagement will conclude Wednesday, 07 June 2023

Council will consider your feedback and decide whether to pursue a Planning & Design Code Amendment for the Golf Course Estate Zone at Wirrina Cove.

Draft 2023-24 Annual Business Plan & Budget

Including draft Long-Term Financial Plan 2023-2033

Major Projects Update

We are pleased to provide an update on Council's major projects. We encourage the community to visit our website for a detailed breakdown of the total budget of project expenditure for each project. All information is current as of the time of publishing.

Normanville Surf Life Saving Club and Café/Kiosk:

The construction of this new community facility is progressing well. The blockwork for the ground floor is now completed and formwork is currently being constructed onsite to allow for the second-storey concrete slab to be poured on Tuesday 16 May – weather pending. Retaining walls and all sewer and underground plumbing have been completed in line with the approved plans.

The new SA Power Networks transformer has been installed. Although an inherent requirement of the new community facility, budget provision for the installation of the transformer was not included in the original project scope. Council has achieved an underspend on the Caravan Park Cabins Project which will be reallocated to the Normanville SLSC & Café/Kiosk project to cover the cost of the necessary transformer, pending confirmation on the final grant acquittal report.

In the weeks ahead, Partek Constructions will continue the reinstatement of the sand dunes, which is now well underway. Savills Real Estate has been appointed to approach the market seeking interest for the leasable spaces within the building. The marketing package is being finalised to reflect feedback provided by Council and other key stakeholders and once released to the market, the opportunity will remain live for four weeks before submissions close. A review process to shortlist, assess and appoint a suitable tenant(s) will follow.

Council administration is recommending a desirable governance structure to assess and recommend lease options for the leasable spaces within the SLSC & Café/Kiosk. It is proposed that the review panel will consist of Savills agents, Council's CEO and Director Assets and Environment, Mayor and Deputy Mayor and an independent community representative.

Big 4 Normanville Jetty Holiday Park:

Following the completion of the final cabins and issuing of certificates of occupancy, Council received a number of enquiries regarding an inability to book the newest cabins via the Big4 website. Council staff have resolved the matter and all sites and cabins are online and able to be booked via the Big4 website.

General landscaping works will continue to be delivered. The project now enters a defect liability period. Responsibility rests with the contractor to complete any work to rectify defects identified during this time.

Normanville Foreshore:

A recent playground safety audit has identified a small number of defects that will require rectification. Some of these defects are managed through regular maintenance programs and other structural defects will be referred back to the installer and will be rectified within the defect liability period.

Boardwalk construction is now complete with minor defects being addressed by the contractor. Once defects are satisfactorily completed, the boardwalk adjacent the new Surf Life Saving Club will be backfilled with sand that is stockpiled onsite. The shade/shelter structure is expected to be completed in May.

As previously reported, the final timeframe for car park resurfacing will be negotiated to work around the impacts of the Normanville SLSC & Café/Kiosk, currently under construction. Wheel stops have been received and will be installed in the new Jetty Road carparks in May/June. Council's Project Team has identified some minor issues with drainage near the existing shower and is currently working with the designers and civil contractor for a best practice solution to fit within the current budget. Remediation will be undertaken during Stage 2 of the plaza works to ensure efficient engagement of subcontractors onsite.

Yankalilla Cultural Centre and Library:

Library Build and Fit Out

The construction of the new library building is complete, and a practical completion certificate has been issued. However, a defects walkover identified several defects that need to be rectified within a prescribed period. Council's Project team and Project Superintendent have notified the contractor of these defects and Council staff is working with Building Solutions to ensure that they are rectified promptly and satisfactorily.

Library Carpark

Construction of the library carpark, including stormwater management, is complete and ancillary works are ongoing. Here's what's happening:

- Construction of Stormwater Infrastructure within Yankalilla Youth Park has commenced. Council staff have undertaken a much-needed upgrade to stormwater infrastructure within the playground area and will be commencing connection between the new library building and existing stormwater swales throughout May and June. The upgraded stormwater infrastructure will assist with overland flow issues and will also reinstate existing swales which have been naturally degraded over time.
- Reinstatement and replacement of sections of irrigation due to changes within the Yankalilla Youth Park.
- Filling of the area between the new carpark and landscaping is complete, with new turf currently being established in this area.
- Replacing street trees removed as part of the Carpark Redevelopment, including general landscaping and planting throughout the park, as well as

landscaping of the batter created by the new library building.

- Several trees removed due to the library build will be reinstated onsite. Council staff were able to temporarily relocate several trees prior to the commencement of the library build. These trees are currently being tended to offsite and will be reinstated within the youth park as part of ongoing works.
- Pathways between the carpark skatepark, pump track, toilet and playground have been formalised, and quotes are being sought to pave these areas.

SA Water Reservoir Reserve Volunteer Program

Are you looking to spend time outdoors in nature? As a Reservoir Reserve Volunteer, you'll have the opportunity to get involved in a range of activities supporting biodiversity, conservation and recreation within South Australia's Reservoir Reserves. With like-minded people, you will help to protect and preserve these special places and gain valuable knowledge and skills in conservation, land and recreation management.

Activities include habitat restoration, revegetation, weed control, biodiversity surveys, contributing to threatened species recovery projects, and fish stocking. Volunteering is available at Barossa, Happy Valley, Hope Valley, Mount Bold, Myponga, South Para and Warren Reservoir Reserves. The program has a flexible structure, so you can opt-in to activities that suit your availability and interests.

Apply to become a Reservoir Reserve Volunteer by visiting www.reservoirs.sa.gov.au/caring-for-our-reservoirs/volunteering

Would you like to receive your Council Rate Notice by email?

Did you know that you can receive your Council Rate Notice by email? All you need to do is register your property using the details on your existing Rates Notice with Ezybill.

By choosing to receive your rates notice via email, you can help reduce paper waste and contribute to a more sustainable future. Not only is this option eco-friendly, but it also saves you time and effort as you no longer need to worry about misplacing a physical copy.

To get started, simply visit <https://yankalilla.ezybill.com.au> and follow the registration process. Once registered, you will receive your future Council Rate Notices directly to your email inbox, making it easier for you to manage your finances and stay on top of your payments.

COMMUNITY-LED DISASTER RESILIENCE PROJECT

A workshop series with ongoing support. We'll work together on actions in Myponga to strengthen community resilience, get you and your community connected and prepared for a range of disasters.

**We need your help
to get Myponga
disaster ready.**

Local knowledge and strengths, neighbourhood connections and emergency planning have proven to help communities respond better and recover faster in disaster.

What's involved?

Six initial workshops facilitated by Australian Red Cross, commencing in June, aimed at enhancing local disaster resilience through community co-creation. The workshops will:

- Identify local multi-hazard risks, assess resilience, priorities, and make a comprehensive disaster resilience action plan together.
- Connect community members, emergency services, and local council to share responsibility for disaster preparedness, response, and recovery.
- Identify community resources and strengths.
- Promote a whole community approach to disaster resilience with a focus on inclusivity, equity, and sustainability.

Attendance at all six workshops is ideal but all levels of participation are welcomed.

Receive ongoing support:

Participants will be provided ongoing support from Red Cross and the District Council of Yankalilla to implement their actions beyond the workshops and are encouraged to join the Community Led Disaster Resilience Network to exchange ideas and resources with other communities across SA.

Registration free but essential

Workshop dates will be set based on the best availability for interested community members. To register your interest and for more information, scan the QR code:

Council Decisions

The following will provide a summary of the decisions made at the 16 May 2023 Council Meeting. As always, we encourage you to read the complete agenda and minutes to get the details and a greater understanding of topics at www.yankalilla.sa.gov.au/council/agenda-and-minutes

Mayor's Report

The Mayor's report was received. Mayor Darryl Houston discussed the success of the Festival Fleurieu and encouraged the community to provide feedback on the draft 2023-24 Annual Business Plan & Budget.

Reports of Members, Delegates and Working Parties

Cr. Rowlands attended the Night At The Museum event hosted at the Fleurieu Visitor Centre, he complimented this event. Cr. Rowlands spoke about the great gesture of OPTUS in loaning the movie trailer.

Cr. Moffat attended the deputy Mayor's forum which was very informative. Cr. Moffat also attended the Fleurieu Region Community Services Advisory Committee meeting.

Motions on Notice

A motion from Cr. Gibbs was carried, resolving that financial details be provided to the Council Meetings for the Big4 Normanville Jetty Holiday Park on a quarterly basis.

Motions without Notice

A motion from Cr. Rowland was carried, directing Council to celebrate, thank and recognise the significant contribution that our volunteers make in our District.

Reports of Officers

Big4 Normanville Jetty Holiday Park Management Models

Council resolved to support the Administration to undertake more detailed commercial analysis of each of the management model options,

considering s which of the models will ensure an appropriate balance of community involvement, appropriate control, resourcing from Council, relevant expertise and capability to drive the next level of performance at the Big 4 Normanville Jetty Holiday Park.

Temporary Road Closure – Reservoir Road, Myponga

Council resolved to support the closure of Reservoir Road, from Forktree Road to Main South Road, for the purpose of facilitating the 2023 Shannons Adelaide Rally.

Activating Bookable Spaces at The Centre

Council resolved to extend waive of hire fees for the various rooms and meeting spaces in the Yankalilla Cultural Centre & Library from 6 June through to 31 December 2023.

Community Memorial Request

A motion to grant permission to install a community memorial at the Normanville Foreshore was lost.

Request to close and purchase portion of unmade road Willow Creek

Council determined to commence the road closing process (including public consultation) for a portion of unmade road in Willow Creek.

Behavioural Support Policy

Council resolved to not adopt a Behavioural Support Policy determining that the LGA Behavioural Management Policy will provide relevant guidance.

Scheduled Council Reports and EM Forum Topics 2023

The report was received.

Review of Elected Member Policies

A motion to adopt the revised Elected Member Induction Policy and the Elected Member Information Request Policy and to revoke the Complaint Handling Procedure under the Code of Conduct for Council Members was lost.

3rd Quarter Budget Review 2023/24

The report was received and the budget revisions were adopted as the current budget.

Normanville Foreshore Carparking and Safety – Response to Motion

The report was received.

Community Garden Consultation outcome and next steps

Council determined that the Yankalilla Youth Park is endorsed as the location for the Community Garden but noted that the specific site selection within the precinct is to be determined by the Community Garden Working Group comprising of key inputs from Staff and a Community Garden Consultant. It was resolved that the final recommendation by the Community Garden Working Group on the specific site selection will come to Council for endorsement.

Major Projects Report

The report was received. Council supported the establishment of a Normanville SLSC & Café/Kiosk Leasable Spaces Recommendation Panel.

Monthly Finance Report

The report was received

Chief Executive Officer Report

The report was received.

Minute Action Report

The report was received.

Council Committee Meeting Minutes

The minutes of the Audit Committee Meeting held on 8 May 2023 were received.

Meeting dates

Council meetings are held on the 3rd Tuesday of each month at 4pm. Council Meetings are held in the Council Chambers, 1 Charles St, Yankalilla.

Agendas are available the Friday prior to the meeting and Minutes are available the Friday after the meeting, both on Council's website.

Tuesday 20 June 2023

Tuesday 18 July 2023

Elected Member Forums are held on the 1st Tuesday of each month at 3pm. Elected Member Forums are held in a location as determined by the CEO.

Agendas are available the Friday prior to the forum on Council's website.

Tuesday 6 June 2023
(to be held at the Yankalilla Library)
