

in the loop

Myponga Primary School early years class enjoyed a range of activities at the Yankalilla Library.

Myponga Primary School Early Years Class Excursion to the Yankalilla Library

Children from the early years class at Myponga Primary School recently enjoyed a fun-filled excursion to the Yankalilla library. After arriving by bus, the day began with a fruit snack in the park.

Their first activity was a captivating Science and Maths expo held in the hall. The students participated in various hands-on experiments, exploring concepts such as measurement, magnets, sound, classification and patterns. Among the activities, the tornado tube was a clear favourite. If you'd like to

experience the excitement yourself, keep an eye out for the July School Holiday brochure to book in with your family.

After the expo, the children embarked on a scavenger hunt in the library, working in small groups to discover hidden treasures among the books. Meanwhile, other children engaged in a Lego challenge, tasked with creating something that flies. Visit the library to see the imaginative creations they came up with!

Lunch was enjoyed back in the park, where the students had the opportunity to run off some energy in the playground. The afternoon was filled with activities centred around seasonal and weather changes, including crafting kites for windy winter days, creating cloud collages with lambswool, assembling tree pictures with autumn leaves and designing spring flower gardens.

Thank you to the Myponga Primary School staff for organising such a wonderful learning experience outside the classroom.

MAYOR'S MESSAGE

Elected Members Forum – Township Planning in Myponga

During our Township Planning Sessions for Myponga, serious road safety concerns were highlighted about the junction of Main South Road and Pages Flat Road. At the recent Elected Members Briefing & Information Session, we were pleased to have Gemma Kemich (Director of Planning and Technical Services) and Karen Lee (Manager, Asset Management) from the Department of Infrastructure and Transport (DIT) join us to discuss these issues with our Elected Members and a small group of residents from Myponga.

The meeting was very productive, and several potential safety improvements were discussed, including:

- Reducing the speed limit on Pages Flat Road to 80 km/h when approaching the intersection.
- Removing the “mound” to enhance visibility.
- Possible lights.
- Possible rumble strips.
- Possible stop sign.

Our staff will continue to work with DIT and I look forward to the final solution in response to our advocacy aiming for a safer outcome for our community.

Cape Jervis – ‘Leave Nothing But Footprints’ at Morgans Beach

I would like to congratulate the Cape Jervis Progress Association for their tireless efforts over the past three years in the ‘Leave Nothing But Footprints’

project. This initiative, highlighted by the stunning artwork of Barkindji artist Sarah Bates, is an acknowledgement of our First Nations people and their connection to country.

‘Leave Nothing But Footprints’ reminds us all of our responsibility to care for and respect the lands we visit and reside on. This project is a beautiful addition to Morgans Beach and a meaningful call to action for environmental stewardship.

Warm Regards,
Darryl Houston
Mayor

CEO'S CORNER

Last month, Australia celebrated National Volunteer Month and naturally, we at the Council looked for an opportunity to celebrate our valuable volunteers. Volunteers Week provided a great opportunity to pause and reflect on the incredible contributions of these wonderful people and I am profoundly grateful for the dedication and passion that they bring to our community.

Our Executive Leadership Team took the opportunity to reach out to thank our Commonwealth Home Support Program (CHSP) Volunteer Drivers personally. These volunteers are a critical link and ensure our ability as a

Council to provide this much needed and heavily patronised Community Transport Service. In reaching out on the phone calls we made, it gave us key insights into our volunteers’ dedication and passion for their roles. Collectively, our CHSP volunteers have provided an astounding 269 years of service, with some members having been with us since 1999!!

In these calls, I had the privilege of speaking with our ten longest-serving volunteers. I heard about the humble beginnings of the program, as well as some of the entertaining stories about clients they had taken to various appointments. These conversations

highlighted the personal connections and commitment that each volunteer brings to their role in our community. Whether they have been with us for a few months or over two decades, each volunteer’s contribution is deeply valued.

Volunteers are the backbone of our community, supporting essential services and enhancing the quality of life for residents. I am very grateful for their contributions and the positive impact they have on our district, and I really enjoyed these one-on-one chats.

Nathan Cunningham
Chief Executive Officer

How to stay

Council delivers its news in different formats, and you have the option of receiving it in the best way that suits you!

Pick up a hard copy in Council facilities and various public outlets throughout the District. Alternatively, you can find monthly editions and subscribe to receive it by email, by scanning the QR Code or visiting https://bit.ly/dcy_intheloop

If you cannot access our news in any of the above formats, request to have

a hard copy posted to you by calling us on 8558 0200 or by emailing council@yankalilla.sa.gov.au

Cape Jervis Progress Association Footprints Sign

On Monday, June 10th, the Cape Jervis Progress Association (CJPA) unveiled its contribution to keeping Morgan's Beach free from rubbish and pollution.

In 2022, the CJPA was successful in receiving a Community Arts Grant from the District Council of Yankalilla, which enabled them to engage with Barkindji artist Sarah Bates from Purli Purli, to design a sign to encourage users of Morgan's Beach to leave nothing but their footprints.

The outcome of the sign is a First Nations design that was made into a physical reality, thanks to Phil from Fleurieu & KI Print.

Mayor Darryl Houston cut the ribbon to reveal the sign in the winter weather, alongside Carmel Taylor, Chairperson of CJPA.

This is one of the many fantastic community-benefiting initiatives that the CJPA has delivered and is planning to deliver. When visiting Cape Jervis in the future, have a look at the Footprints sign at Morgan's Beach, as well as the nearby playground, toilet and pump track at the Cape Jervis Community Club.

Carmel Taylor (Chairperson of CJPA) and Mayor Darryl Houston with Footprints sign.

Light Ward Supplementary Election

At the close of nominations at noon on Thursday 6 June 2024, the following people have been accepted as candidates and are listed below in the order in which they will appear on the ballot paper:

- DENTON, Gavin
- HATCH, Karin
- GROCKE, Shane

The election is conducted entirely by post and no polling booth will be open for voting. Enrolled voters in Light Ward will receive a voting package through the mail and can return their votes in a reply-paid envelope. Ballot papers and reply-paid envelopes will be mailed out between Tuesday 25 June and Monday 1 July 2024.

A person who has not received voting material by Thursday, 4 July 2024 and believes they are entitled to vote, should contact the Electoral Commission of South Australia on 1300 655 232 before 5pm, Monday 15 July 2024.

Ballot material must reach the Returning Officer no later than 12 noon on polling day, Monday, 22 July 2024. Voting is voluntary.

The scrutiny and count will take place from 1pm on Tuesday 23 July 2024 at the Electoral Commission SA Central Processing Centre, Ground floor, 81-95 Waymouth Street, Adelaide. A provisional declaration will be made at the conclusion of the count.

For more information visit: <https://www.ecsa.sa.gov.au/2024-district-council-of-yankalilla-supplementary-election>

Supplementary Election dates to note:	
Ballot Material Dispatched to Electors	Tuesday 25 June 2024 to Monday 1 July 2024
Close of voting (Polling Day)	12 noon, Monday 22 July 2024
Scrutiny and Count	Tuesday 23 July 2024
Latest Date for Public Notice Advising Election Results	Thursday 15 August 2024

District Council of Yankalilla – Councillor for Light Ward

In accordance with the Local Government (Elections) Act 1999, a draw to determine the order of candidate names to appear on the ballot paper was held at 2pm on Thursday 6 June 2024. Profiles for each of the 3 candidates are displayed below in the same order as their names appear on the ballot paper. This information has been provided by the candidate and neither the Returning Officer nor the District Council of Yankalilla take responsibility or bear liability for the content contained within.

DENTON, Gavin

My wife and I have been living in our new Normanville home since May 2023. This is our retirement town. We moved here early 2021, after spending holidays here during our working life. Country living is better, the people are friendlier the environment much healthier, life is simpler, that's the way we wish to keep it, and that's why I have nominated in this election. A member of the Yankalilla Men's Shed, Yankalilla Men's Probus, volunteer at ACH aged care Yankalilla, Normanville Table Tennis, Victor Harbor Archery Club. Born August 1955 by the sea, my career commenced at John Martins, the youngest person at 17 years old to become a supervisor. Then I worked over forty years in the Plumbing/ Hardware industry. From Sales manager for a national company to senior purchasing officer for a S.A. building supply firm, with an 18-month work commitment in Darwin. Looking after people's interests while watching the pennies is in my blood, as is the country.

I live in Light Ward

Contact Details: 0433 401 895

Email: gavrosden@gmail.com

I am not a member of a Political Party

HATCH, Karin

Councils were first formed to manage the three core Rs: roads, rates and rubbish'. Their activities have grown immensely, and many Councils are currently in a difficult financial climate. I believe that the Yankalilla Council must return to these three cores for our residents. The ability of a Council to reduce debt while maintaining resident core services is a wicked problem that requires much hard work by Councils. If elected to represent Light Ward, I intend to follow these three Rs: Respect for Residents and Responsiveness to their needs and opinions. I bring the following strong suits to a Council member role: as a trained scientist, strong analytical abilities; as a funded researcher, good project and financial management skills; as an award-winning first year lecturer, a strong empathy for, and responsiveness to, any cohort I am working with. I have had a place in Carrickalinga since 2008 and have lived here since my retirement in early 2020, with a husband and two dogs.

I live in Light Ward

GROCKE, Shane

I am Shane Grocke, a proud resident of Normanville since 2019. During my time here, I've actively contributed to our community in various capacities: Yankalilla Area School Governing Council: ensuring fairness and good judgment in educational matters. Yankalilla Community Forum (Facebook): As an administrator, I've facilitated community discussions and engagement. Yankalilla Normanville Progress Association: I'm the inaugural Chair of this association, working towards progress and positive change. My 25 years of business experience, including running an IT company and as a photographer, have taught me valuable lessons. My photography work has rekindled my appreciation for our region's beauty and strengthened my resolve to protect it. I pledge to embody three key qualities: Respect, Patience, and Tenacity. I'm committed to transparency, open communication, and addressing community concerns. Feel free to connect in person, via phone, or email I'm here to listen and serve our community.

I live in Light Ward

Capital Projects Update

Welcome to the June Capital Projects Update. This regular feature keeps you informed about the progress of various Council projects. We encourage you to read the June Capital Projects Update Report to Council for more details. Here's a look at some of our key projects this month:

Normanville Foreshore Enhancement Program

In celebration of World Environment Day on June 5, Council's Parks and Gardens team 'dug in' and prepared a section of the heritage-listed Normanville dunes for a special planting event. The area, both in front of and behind the Surf Life Saving Club building, was transformed through the efforts of Council staff, with invaluable support from the Fleurieu Environment Centre and dedicated Council volunteers.

The planting plan featured resilient coastal natives that harmonise with other garden beds in the precinct, providing both aesthetic appeal and suitability for the coastal environment.

The event was initially set to include support from the Youth Climate Action Summit students, but an unexpected withdrawal necessitated a swift mobilisation of additional volunteers and office staff to plant hundreds of prepared seedlings. The successful planting underscores Council's adaptability and commitment to community projects and environmental stewardship, showcasing our dedication to enhancing local natural spaces.

Second Valley Jetty Infrastructure

After many months of waiting in anticipation, we are pleased to announce some significant improvements at Second Valley Jetty. The much-anticipated grappling ladder has been installed at the foot of the stairway, providing a safe and convenient means for swimmers, snorkelers, and other water enthusiasts to enter and exit the water. This enhancement is expected to greatly improve safety and accessibility at this popular site.

In response to a jetty inspection conducted by Council staff and in recognition of feedback from concerned locals and visitors, a loose pylon at the jetty, which had been swinging freely, has now been securely braced to the jetty's structural supports.

While the swinging pylon may have appeared precarious, the jetty's structural integrity was never compromised, thanks to the presence of other structural pylons and beams.

By bracing the timber pylon instead of removing it, we have preserved the jetty's heritage character, maintaining its historic charm while ensuring improved safety for swimmers and jetty users.

Council is working to secure skilled stonemasons to repair the pathway along the Second Valley cliff face, which collapsed in 2023. Pending appropriate risk, insurance, and engineering assessments, we anticipate starting repairs in the new financial year, with the Department of Infrastructure and Transport (DIT) covering 50% of the costs. This will reopen the pathway for community use.

Pages Road & South Road Intersection

A recent motion on notice highlighted feedback from Myponga residents regarding safety and amenity concerns at the Pages Road and South Road intersection. These concerns were also echoed during the township planning consultation for Myponga, where road and footpath maintenance and improvements were among the top four priorities. This intersection is a key focus for the local community.

Several traffic calming options are being implemented in the short to medium term to address these concerns. These include reducing the approach speed on Pages Flat Road to match the speed of merging traffic on South Road and modifying the traffic island by removing existing vegetation and replacing it with low-growing natives. Both options have been discussed with DIT and are considered suitable, appropriate, and quick to implement.

Council staff will now progress the conversation regarding a potential change (reduction) in the speed limit approaching the intersection and investigate the allocation of resources required to modify the traffic island. The extent of such modifications is yet to be determined and will be subject to available funding as part of the 2024/25 Budget or beyond.

Collaboration with DIT

In recent months, Council has proactively enhanced its professional relationships with key staff at the DIT. These efforts are primarily aimed at progressing/resolving raised issues to ensure that our community's concerns regarding DIT-owned and maintained assets are effectively communicated and addressed during regular meetings. Additionally, this collaboration ensures that any planned works by DIT are aligned

with Council's objectives and are well within our scope of awareness.

Recent meetings have focused on issues like:

- Improved signage at Main South Road adjacent to the Hobart Memorial Lookout
- Overtaking lanes on Main South Road between Yankalilla and Cape Jervis
- Review of Main Road and Pages Flat Road junction, Myponga
- Junction of Pages Flat Road and Rogers Road, Myponga
- Pedestrian crossing safety within Myponga
- Inman Valley Road slump

Range Road Parawa – Special Local Roads Project (SLRP)

The Range Road Parawa project, essential for freight and tourism,

has faced funding challenges. The initial grant funding was found to be inadequate, prompting a re-evaluation of the project scope. As the primary objective for the 2023/24 SLRP Grant Round, Council will focus on delivering pavement and shoulder reconstruction between Tunkalilla Road and Illawong Road.

Despite the funding shortfall, Council remains committed to completing the original project scope. A separate application will be submitted in 2024/25 to complete the remaining section of Range Road. These efforts aim to enhance Range Road's performance as a crucial Freight and Tourist Route, contributing to the PBS Level 2 upgrade of the South Coast Freight Corridor.

National Tree Day Planting at Carrickalinga

Join us this National Tree Day to help rehabilitate the Carrickalinga foredunes and build habitat for endangered Hooded Plovers as part of the Our Plover Coast Project supported by Green Adelaide & Landscapes Hills & Fleurieu.

The specific plant species chosen for this site have also been identified as more resistant to fire as part of the Fire Wise Project being run by the Fleurieu Environment Centre with support from the Foundation for National Parks & Wildlife and grant funding from the Australian Government through the Preparing Australian Communities local stream.

We would also like to thank the District Council of Yankalilla for preparing the site for revegetation.

When: 10am - noon, 28th July 2024.

Where: The Rotunda Carpark Carrickalinga, find in Google Maps by searching Haycock Point Lookout, Carrickalinga.

What to Bring: Please come prepared for the weather conditions on the day. If you have gardening gloves, please bring them along (we will have some available). We will also gather for a hot lunch at the Fleurieu Environment Centre after we finish planting. So please respond with

an RSVP for lunch and any dietary restrictions when you register.

For more information, please contact Maddie Maguire via info@flec.com.au

Booking information can be found at: <https://events.humanitix.com/national-tree-day-community-planting-at-carrickalinga-haycock-point-lookout>

Food Safety

With the Environmental
Health Officer

How to Handle Riskier Foods - Poultry

Chicken is a healthy, convenient meal and is Australia's most popular meat, with over eight out of every ten cooks choosing chicken. Other poultry is also becoming popular, with just under half of those people cooking whole turkey and 37% whole duck.

Remember that poultry includes not only chickens, turkeys and ducks but also quail and geese.

You should always take particular care when handling and cooking raw poultry as birds are small animals and their raw meat can be contaminated all the way through by food-poisoning bacteria.

How to handle poultry correctly

You can reduce the risk of cross-contamination from raw poultry by following these simple tips:

- Do not wash raw poultry before cooking, as this will spread any bacteria throughout your kitchen. You can mop up any excess moisture with paper towel.

- Always wash and dry hands and clean surfaces after contact with raw poultry.
- Defrost poultry in the fridge or microwave in a container which prevents juices dripping on other food.
- Ensure that the raw poultry juices do not contaminate other food, especially desserts or salads that will not be cooked again.
- Always use clean plates and utensils, washing and drying thoroughly between uses for raw and cooked poultry. Never place cooked food back on the same plate or cutting board that previously held raw poultry.
- Also cook any poultry meat to 75°C using a meat thermometer in the thickest part or until the juices run clear and are no longer pink. Make sure frozen poultry is defrosted right through to the centre before cooking.

Research

A national survey showed that 60% of home cooks in Australia are putting themselves at additional risk of food poisoning by washing whole poultry before cooking it, which spreads bacteria around the kitchen.

A further 16% of those surveyed incorrectly tasted chicken to see if it was cooked properly rather than using a safe and accurate meat thermometer.

6 in 10 home cooks washed whole chicken before they cooked it, with 5 in 10 washing chicken pieces with skin on and 4 in 10 washing skinless chicken pieces.

Notified cases of illness from *Campylobacter* and *Salmonella* in Australia have almost doubled over the last 20 years.

Food scientists estimate that there are approximately 220,000 cases of *Campylobacter* infection each year, with more than 75% transmitted by food.

Each year, 50,000 cases of *Campylobacter* infection can be attributed directly or indirectly to chicken meat.

Council Decisions

The following will provide a summary of the decisions made at the 16 April 2024 Council Meeting. As always, we encourage you to read the complete agenda and minutes to get the details and a greater understanding of topics at www.yankalilla.sa.gov.au/council/agenda-and-minutes

Mayor's Report

The Mayor's report was received. Mayor Darryl Houston spoke on the recent Elected Members Information and Briefing Session and discussed the junction of Main South Road and Pages Flat Road, Myponga. He also commented on the unveiling of the 'Leave Nothing But Your Footprints' sign at Morgan's Beach, Cape Jervis.

Reports of Members, Delegates and Working Parties

Cr Olsson attended the LGA OGM at the Adelaide Town Hall on Friday, 24 May, with the Mayor and CEO.

Cr Moffat attended the Fleurieu Region Community Services Advisory Committee on Tuesday, 14 May 2024.

Cr Rothwell attended the Surf Life Saving SA Awards of Excellence on Saturday, 15 June 2024 and would like to recognise that Normanville Surf Life Saving Club President Dave Jansen was awarded the 2024 Surf Life Saving SA Volunteer of the Year.

Questions on Notice

Cr Moffat asked a question regarding the 23 New Cabins at The Normanville Jetty Holiday Park. The question was answered.

Cr Gibbs asked a question about DCY employees. The question was answered.

Cr Olsson asked a question regarding the Single-Use and Other Plastic Products Regulations. The question was answered.

Cr Gibbs asked a question about Behavioural Standards breaches and the associated costs. The question was answered.

Questions without Notice

Questions were asked and answered.

Motions on Notice

A Motion on Notice from Cr Quirke regarding communicating updates about the South Road and Pages Flat Road intersection was carried.

Reports of Officers

Cemeteries Operating Policy Report

Council received the report and adopted the Cemeteries Operating Policy.

Controls for Beaches and Reserves to Complement By-Laws

Council received the report and adopted the revised District Council of Yankalilla Control Register with a revision to clause 18 of attachment A.

Feedback on Dog and Cat Management (Breeder Reforms) Amendment Bill 2024

Council received the report and endorsed the letter of feedback to be provided to the Department of Environment and Water.

Delivery of Council News – In The Loop

Council received the report and resolved to revoke resolution C20089 Part 1. Council resolved to continue producing a standalone Council newsletter that will be published generally in the week following the Ordinary Council Meeting each month.

Fleurieu Coast Environment Reference Group (FERG) Establishment

Council received the report and endorsed the draft Terms of Reference for the Fleurieu Coast Environment Reference Group. Council authorised the CEO (together with the Director Assets and Environment) to work with the Carrickalinga Ratepayers Association (CRA) to establish the Fleurieu Coast Environment Reference Group (FERG).

Expert Panel Final Report and Government Response to Planning Review

Council received the report and noted the Expert Panel Final Report and Government response to the Planning Review Report.

CEO Performance and Remuneration Review Committee Summary Report on Key Performance Indicators, Performance Review Survey and Employment Contract Matters

This motion was tied.

Chief Executive Officer Performance & Remuneration Review Committee Membership

Council received the report and appointed Cr Gibbs to the Chief Executive Officer Performance and Remuneration Review Committee for the remainder of the term of the current Council.

CEO Performance and Remuneration Review Committee Minutes

The minutes of the CEO Performance and Review Committee – 4 June 2024 were received.

Monthly Finance Reports

The May 2024 Monthly Finance Report was received.

Capital Projects Update Report

Council received the Capital Projects Update Report and noted the follow-up conversations to occur with the Department of Infrastructure & Transport about the desired safety and amenity enhancements at the Pages Flat Road and South Road Intersection.

Chief Executive Officer Report

The Chief Executive Officer Report was received and Council noted that a submission in response to the Commonwealth Government enquiry into Local Government Sustainability has been lodged by the Chief Executive Officer.

Council Committee Minutes

Council received the minutes of the Fleurieu Region Community Services Advisory Committee (FRCSAC) meeting held on 14 May 2024.

Council received the Fleurieu Regional Waste Authority (FRWA) 3rd Quarter 2023-24 Budget Review and Activities report, the 22 May 2024 Board meeting summary and the Asbestos Contaminated Material Project Summary. Council approved the FRWA Third Quarter Budget Review for the Financial Year 2022-23.

Meeting dates

Council meetings are held on the third Tuesday of each month at 4 pm. Council Meetings are held in the Council Chambers, 1 Charles St, Yankalilla.

Agendas are available the Friday before the meeting and Minutes are available the Friday after the meeting, both on Council's website.

Tuesday 16 July 2024

Tuesday 20 August 2024

Elected Member Forums Elected

Member Forums are held on the first Tuesday of each month at 3pm.

Elected Member Forums are held in a location as determined by the CEO.

Agendas are available on the Friday before the forum on Council's website.

Tuesday 2 July 2024

(to be held at the Yankalilla Library)

WHAT'S ON

AT THE LIBRARY JULY 2024

Yankalilla & District Historical Society

**Wednesday mornings:
10am – 12 noon**

Assistance with family and local history.

Enquiries: YDHS: 0437 500 013 or email: yank.hist.soc@gmail.com

Advanced Care Directive support sessions

Wednesday July 3 (1st Wed. of each month) 2pm & 3pm

Would you like information/help filling in Advanced Care Directive forms? Book into a one-on-one session to receive some support from trained volunteers. Bookings essential.

Enquiries and bookings: 8558 0200 – ask for Claire Taylor.

Tech @ the Library

Thursdays July 4, 11, 18, 25

10:00am, 11:00am & 12:00 noon

One-on-one help with technology related questions including Government sites and Apps, mobile phones, tablets, the internet and more.

Bookings essential*.

A Cuppa, A Chat and Craft

Tuesdays July 2, 9, 16, 23, 30

1:00pm – 3:00pm

A friendly, casual, and relaxed group that gathers to enjoy a chat and have a cuppa while each member starts, finishes or continues with a craft project of their own.

Come along, cuppa provided.

Bookings not required.

Weaving for wellness

Thursday July 4, (July 18 cancelled)

1:00pm – 3:00pm

Enjoy the relaxing process of weaving. Discover and develop your creative potential. Share a cuppa and a yarn and make creative connections. Be refreshed and inspired by your creative time out. Become a dream weaver! Craft materials provided.

Wiggle and Giggle

Tuesday July 2, 23, 30

10:00am – 10:30am

30 minutes of wiggling, jumping, dancing, music, singing and giggling for children 0-5 years (and parents/grandparents/ caregivers!).

Bookings not required. **Please note Wiggle and Giggle is not on July 9 & 16 due to July School Holiday Program.**

Yankalilla Library Baby Sprouts: sensory play for families, parents, caregivers with babies

Thursdays 4, 25

10:00am – 10:30am

Engage in story, song and rhyme which supports early literacy. Get to know other families, bond with your little one and explore the Yankalilla Library. **Please note Baby Sprouts is not on July 11 & 18 due to July School Holiday Program.**

Yankalilla Library Sprouts: literacy, science, and maths Preschool program.

Thursdays July 4, 25

10:30am – 11:30am

Read books, sing along and engage in different activities each week that promote early literacy development,

socialising, science discovery, maths, creativity and fun! **Please note Sprouts is not on July 11 & 18 due to July School Holiday Program.**

Yankalilla Library Sprouts: literacy, science, and maths Preschool program at Rapid Bay Primary School

Fridays July 5, 26

9:30am – 10:30am

Read books, sing along and engage in different activities each week that promote early literacy development, socialising, science discovery, maths, creativity and fun! **Please note Sprouts is not on July 12 & 19 due to July School Holiday Program.**

Bookings essential*.

Ph: (08) 8598 4062

Southern Community Justice Centre

Fridays July 12, 26

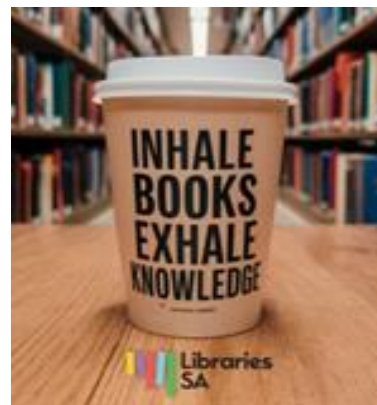

10.00am – 1.00pm

Book a free legal advice appointment with a solicitor who can assist with Family, Civil and Criminal law.

Bookings essential*.

Enquiries and bookings:

1300 850 650

Yankalilla Library

181 Main South Road Yankalilla 5203

Library: 08 8558 2043

WHAT'S ON

AT THE LIBRARY

JULY 2024

Book Club

Friday July 19

2:00pm – 3:00pm

Meets every 6 weeks.

Or register your interest in forming another book club

Bookings essential*.

JP Service @ the Library

Tuesdays July 2, 9, 16, 23, 30

11.00am – 12.00 noon

Do you need a document certified or witnessed? Stat Dec or ID witnessed for business or legal purposes? Please create copies prior to appointment.

No bookings required, just join the queue.

Be a Sphero Hero

Wednesdays July 3, 10, 24, 31

3:30pm – 4:30pm

Come and learn the basics of robot navigation and coding, to program Sphero Robots to move through mazes, compete in Sphero bowling, and Sphero Robot Battles.

Ages 7-12.

Bookings essential*.

Morning Tea and Tales

Thursday 25 July (last Thurs)

10:30am - 12:00 noon

Come to the Yankalilla Library for a cuppa, scones, and a chat. Every month a guest speaker will share tales of their lives, their connection to our region, or their connection to nature. All ages welcome.

History Talk: John Hutchinson Shearing Stories

Friday 26 July 10am – 12noon

A third-generation shearer, John Hutchinson grew up at Inman Valley on the Fleurieu Peninsula. He won six Open Shearing Championships of Australia, was three times Australia Shearer of the Year and placed third in the World Shearing Championship in 1977. In 1999 John was awarded the Order of Australia Medal for his contribution as a shearer trainer and teacher. John will share entertaining stories from his many shearing adventures. Bookings not required*

The Aged Rights Advocacy Service (ARAS) Outreach

Wednesday July 24

12:00pm – 4:00pm

ARAS offers a free, confidential service to older people, or their representatives, who are:

- living in residential aged care or a retirement village
- receiving or seeking to receive Commonwealth Home Support Programme (CHSP) or Home Care Package (HCP) services
- at risk of, or experiencing, abuse from family or friends

Bookings essential* call the library.

Yankalilla Home Library Service

Delivery day - Wednesday July 10

A free library outreach service to eligible residents. Call the library if you are interested or think you know someone that might be interested.

Turn over for more events

Local and Family History Service

The Yankalilla and District Historical Society are on site at Yankalilla Library, where they provide help with your family and local history enquiries every Wednesday morning between 10 am and 12 noon. Bookings are not required for this service.

Staff Picks

Stuck for something to read? Come and browse our Staff Picks display, selected by library staff and volunteers. Look for the Staff Picks sign beside the newspapers.

Science Expo!

Thursday 18 July
10:30am – 12:30pm

Be a scientist and complete the hands-on experiments ranging from using magnets, light, sound, water to friction.

One booking per family required.
Suitable for children of all ages.
Children must be accompanied by an adult.

Shadows of the Prehistoric Past with Professor Flint

Wednesday 17 July
10:30am – 12:30pm

Professor Flint takes you on a journey into the past through song and a fossil show that explores South Australia's local prehistoric story, including the prehistoric creatures that lived amongst us right here, in and around Yankalilla!

One booking per family required.
Suitable for children of all ages.
Children must be accompanied by an adult.

*Events are FREE and held at Yankalilla Library unless stated otherwise and bookings may be required

5CY Winter warmers

As the days and nights become colder, spare a thought for those less fortunate than yourself.

We are supporting the 5CY pantry over winter, offering to collect non-perishable foods for those in need within our Council district. If you would like to contribute, please pop your donations of non-perishable foods in the dresser in the foyer of our building.

The volunteers from 5CY will collect them and make sure they get to warm the hearts and bodies of people within our community.
