## 2022 Council Election Results

Field Ward	Light Ward
Darryl Houston	Wayne Gibbs
David Olsson*	Tim Moffat
Lawrence Polomka	Glen Rowlands*
Simon Rothwell*	Davina Quirke*
	Bill Verwey*

\*Re-elected Councillors

On Thursday the 24th of November at a Special Meeting, Council voted to elect Councillor Darryl Houston as Mayor for the next four years. Following this, at the Inaugural Meeting on Tuesday the 29th of November, Council elected Councillor Tim Moffat as the new Deputy Mayor for the next four years.

Continued next page

Five Councillors were re-elected in the 2022 Council Elections and will have four new members join them. 16 nominations were received; six in Field Ward and ten in Light Ward.

Once again, the elections saw strong voter participation in the Yankalilla District, with 2,365 eligible voters casting a vote. At a voting rate of 51%, that puts our community well in front of our neighbouring councils (City of Victor Harbor 46%, and Alexandrina Council 44%), demonstrating how engaged our community is.

Congratulations to all Councillors and the Mayor who will steer our community for the next four years.

At its Inaugural meeting on Tuesday 29 November, Council resolved to hold Ordinary Council meetings once a month on the third Tuesday, commencing at 4.00pm in the Council Chambers at 1 Charles Street, Yankalilla.

Elected Member contact details are available online at [www.yankalilla.sa.gov.au/council/organisation/elected-members](http://www.yankalilla.sa.gov.au/council/organisation/elected-members).

The District Council of Yankalilla would like to thank the outgoing Councillors; Councillor Alistair Christie, Councillor Peter O'Neil, Councillor Bruce Spilsbury and Councillor Leon Zarins for their service and dedication to the community. We wish them all the best in the future.

## Thank you!

Thank you to the Council Staff who dedicated their Saturday to counting the thousands of returned votes, under the guidance of staff from the Electoral Commission of South Australia. It was a lengthy process and we appreciate your time and diligence.

## CEO's Corner

I wish to extend my congratulations to our recently elected Councillors who were successful in the Local Government Elections. I look forward to working with you for the full term ahead.

Last week, our team at Council held an Elected Members Induction Day. Members were guided through their roles and responsibilities as Elected Members, given an insight into the world of Local Government and provided an overview of the organisation and the various functions of the District Council of Yankalilla. Elected Members were also given an opportunity to share their aspirations for the next four years as Councillors. A common thread over the day was communication and a desire to see us continually work on this. Communication comes in various forms and an early observation of mine as CEO is that we can absolutely improve the quality and consistency of communications from Council to its ratepayers, residents and visitors. I stand firm on the belief that we need to have a constant awareness of the community we serve and we are sharpening our focus on improvements to our communication methods and standards.

Building from this, I would like to address some concerns that we know are circulating within the community.

Last month I met with the Normanville Sailing Club to listen to their concerns regarding the potential relocation of their Club Shed. A key outcome was that I pledged to pause any relocation until such time as options could be considered in collaboration with the Club, together with our Elected Members. With the elections now concluded, we can schedule some discussions to understand the need for change (if any), options and costs before a decision will be made by the Elected Members. I really enjoyed meeting with the Club and I look forward to working towards an outcome that satisfies the needs of all relevant parties as best it can.

There have also been concerns in the community regarding the ownership of the Normanville Surf Life Saving Club (SLSC) and Café/ Kiosk Building. I would like to reassure all readers that the building now under construction will be a Council owned asset. After a unanimous resolution passed by Elected Members in July 2022, Council signed a Development Agreement with Surf Life Saving SA and the Normanville SLSC. This Agreement allowed Council to assign construction rights to the Normanville SLSC while retaining ownership and great influence over the development outcomes at the site.

The agreement also allows the Normanville SLSC to be a party to the construction contract signed by Partek Constructions. Whilst not a party to the construction contract, Council will continue to be a collaborative partner during the building process and will receive the building at handover in late 2023.

Upon completion of construction there will be space available for three tenants; the Normanville SLSC and two other tenants in the form of a Café and Kiosk (with the option to have one tenant operate both the Café and Kiosk). Council will soon be undertaking an 'approach to market' process to understand the interest and likely income for Café and Kiosk tenancies.

In the meantime, we are retaining a focus on ensuring great user experiences for all visitors to the foreshore precinct during summer, whilst recognising some impact associated with the construction site. We are currently seeking Expressions of Interest from vendors who can offer services such as food trucks, pop-up food stalls, ice-cream vans and coffee vans. Keep reading for more information in this month's edition of In The Loop.

# 2022 South Australian Tourism Awards

Congratulations to our 2022 South Australian Tourism Awards finalists Naiko Retreat, Smiling Samoyed Brewery, Kool Tours and The Big Duck Boat Tours.

The winners and medalists of the 2022 South Australian Tourism Awards were announced at a Gala Dinner on Thursday, 5 November 2022 at the Adelaide Convention Centre.

Our district was represented by four outstanding tourism operators from the region including Naiko Retreat, Smiling Samoyed Brewery, The Big Duck Tours and Kool Tours.

Congratulations to all Fleurieu Coast tourism operators who made the finals, and special mention to Naiko Retreat who won gold in the Self-Contained Accommodation category and to Kool Tours who won gold in the Aboriginal & Torres Strait Island Tourism Experiences category.

Naiko Retreat and Kool Tours will now represent Fleurieu Peninsula and the state of South Australia at the National Tourism Awards to be held in Sydney on March 17, 2023.

We are so proud that our region excels in providing outstanding visitor experiences.

## Annual Report Highlights a Year of Change and Opportunities

At a Special Council Meeting in November, your Elected Members adopted the District Council of Yankalilla's Annual Report for 2021/22, chronicling a year that saw many changes; including the appointment of Nathan Cunningham as Chief Executive Officer and the relocation of council services, as Council took to the road during the temporary closure of the Civic Centre.

In a year of seized opportunities, 2021/22 witnessed progress on many council projects including the commencement of the new Library build, the early works in the redevelopment of the Jetty Caravan Park Normanville and significant steps forward on the delivery of the Surf Club and Café/ Kiosk rebuild.

In this one document, the Annual Report contains the answers to many questions that have been circulating in the community throughout the year, we encourage the community to take the time to read it.

You can view and download the District Council of Yankalilla's Annual Report for 2021/22 on our website:

<https://www.yankalilla.sa.gov.au/council/documents-and-meetings/annualreport>

## Library Update

Exciting things are happening at the Yankalilla Library!

Inside, the final stages of painting and cleaning are underway, to be followed by furniture and shelving installation. Outside, the decking is nearing completion. This will be a terrific addition to the space, allowing library visitors to relax and enjoy their experience outdoors.

Finishing touches such as exterior signage, are also in production and plans are underway to hold an official opening – stay tuned for more details!

The wonderful library staff just keep going above and beyond; busily preparing the collections for relocation, all while continuing to offer library services to the community from the Fleurieu Coast Visitor Centre.

While in our temporary location, the staff have maintained borrowing services and programs (such as the Home Library Service, Tech @ the library, "Sprouts" pre-school program at Rapid Bay Primary School and facilitated the regional Mayors' Short Story Challenge attracting 208 entries

from the 3 schools in the District). They have also continued to look for additional ways to grow and despite the complications of working across two sites and overseeing the transition to the new building, the team were recently awarded two grants and produced the innovative Common Threads Project.

We thank the staff for their dedication and passion for the services they provide to the community.

As this project moves closer to completion, the Yankalilla Library will continue to be temporarily located at the Fleurieu Coast Visitor Centre at 163 Main South Road Yankalilla 5203.

## Phat Rager 2.0

When the young people tell us that Phat Rager in Yankalilla was 'pretty good,' what do we do? We put on another one!

Through a partnership with the Myponga Progress Association, the idea of the 'Phat Rager 2.0 Myponga Style' became a reality.

Thanks to the amazing volunteer support from the Myponga Progress Association, it was another great night out of dancing and fun for young people, hosted at the Myponga Hall.

DJ Hazzman provided the entertainment and has a talent for reading the crowd to deliver a great mix of music and get the good times rolling. This set the scene for plenty of dance battles and funky moves! The Myponga Hall was the perfect venue with a fairy light ceiling, comfortable pockets for chilling out and an outdoor area to escape to for a few moments if the excitement on the dance floor was getting too much.

### What is a Phat Rager?

A Phat Rager is all about giving young people an opportunity to make social connections, dance and have fun in a space where they can express themselves.

Thanks to the input of the Yankalilla YAC (Youth Advisory Committee) - who developed the concept themselves and came up with name 'Phat Rager' – Council now have a successful 'disco' (but don't call it a disco!) model that can be rolled again in the future.

We have received excellent feedback from the young people, their parents and the community people that helped keep everyone fed and safe. Events like these help our youth have positive experiences with their peers, community leaders and in the place, they live.

To find out more about Council's Youth Program contact Tia Russell on (08) 8558 0200 or email [tia.russell@yankalilla.sa.gov.au](mailto:tia.russell@yankalilla.sa.gov.au)

## Expressions of Interest Wanted

District Council of Yankalilla is seeking Expressions of Interest (EOI's) from suitable parties that can demonstrate an ability to create an activation program or experiential offering at the Normanville Foreshore.

Construction of the new Normanville Surf Life Saving Club and Café/ Kiosk is due to commence in late November 2022 with a build time of approximately 12 months.

Our priority is to ensure that food and refreshment options are available at the Foreshore during the construction period.

We are also interested in proposals that identify other activities that seek to bring people together and facilitate community connections such as open-air entertainment, music, art and outdoor cinema events.

To read the Expression of Interest document which includes the weighted assessment criteria or to complete an application form, please visit <https://www.yoursayyankalilla.com.au/normanville-foreshore-activation>

## Seeds for Snapper

Ever wondered if we can revegetate the ocean? Yes, we can, and we want you to be part of it!

The 'Seeds for Snapper' project is aiming to rehabilitate seagrass beds along our coastline and it's coming to the Fleurieu this summer.

Seagrass meadows are an important nursery ground for snapper, calamari, whiting and blue swimmer crabs. This new project with trial methods to rehabilitate degraded seagrass in the waters surrounding the Fleurieu Peninsula.

OzFish will work with local communities, scientists and government agencies to achieve this. Register your interest to play a role and help restore this vital habitat to South Australia's coast. Visit [www.ozfish.org.au](http://www.ozfish.org.au) for more information

We are proud to support this exciting community seagrass restoration project in conjunction with OzFish Unlimited, Hills and Fleurieu Landscape Board, City of Victor Harbor, Alexandrina Council, the Department for Environment and Water and SARDI Aquatic Sciences.

**SEEDS FOR SNAPPER**

**SUPPORT SOUTH AUSTRALIA'S SEAGRASS RESTORATION**

**VOLUNTEER THIS SUMMER TO HELP RESTORE LOST SEAGRASS MEADOWS ALONG THE SOUTHERN FLEURIEU PENINSULA COAST**

**OZFISH.ORG.AU**

This project is supported by the Hills and Fleurieu Landscape Board, with funding from the South Australian Government's Landscape Priorities Fund and Boating Camping Fishing (BCF)

## Discounted Cat Desexing

The District Council of Yankalilla (supported by a co-funding grant from the Dog and Cat Management Board), the National Desexing Network and a participating vet clinic have joined forces to offer residents in need a subsidised desexing program to help prevent unwanted cats.

### District Council of Yankalilla

residents on pensions or low income with too many cats or adopting a stray who can't afford to desex will pay just \$50 to desex their cat.

The program is managed by the National Desexing Network. Residents who need support **phone the National Desexing Network on 300 368 992 to find out if eligible.**

If eligible, they will be issued a desexing voucher and can then contact the vet to make an appointment.

These subsidies are available **while Council funds last.**

Dr Joy Verrinder, Strategic Director of AWLQ's National Desexing Network, urges residents to get their male and female cats desexed between 2 and 4 months of age, as male cats are less likely to fight, roam and spray, and female cats can become pregnant from just 4 months old and can breed continuously after that.

"Yankalilla Veterinary Clinic is this participating vet in this program for District Council of Yankalilla residents and we thank the local veterinary clinic for helping with this community service," said Dr Verrinder.

NDN currently manages year-round Cooperative Desexing Programs free of charge for a growing number of Councils around Australia.

"Ongoing desexing programs have helped achieve zero euthanasia of all healthy and treatable stray and surrendered cats in Gold Coast City, the second largest Council in Australia," Dr Verrinder said.

More information - <https://ndn.org.au/low-cost-desexing/>

# Can't afford to desex your cat?

## Do you have a cat or an accidental litter of kittens in need of desexing?

National Desexing Network, District Council of Yankalilla and participating vets are here to help those in need

## DISTRICT COUNCIL OF YANKALILLA NDN COOPERATIVE DESEXING PROGRAM\*

### \$50 DESEXING FOR ALL CATS

Cats should be desexed around 3 months of age as they can become pregnant from just 4 months

## Call: 1300 368 992

\*District Council of Yankalilla residents only. Conditions apply. Available while funds last.

Proudly Supported by

Government of South Australia  
Dog and Cat Management Board

## Myponga Reservoir Parkrun

The Myponga Parkrun has been brought to life by a band of enthusiastic volunteers with support from Parkrun Australia and support from the District Council of Yankalilla.

Since we have begun, our Parkrun team has seen every kind of weather imaginable. The always picturesque course has demonstrated many different types of 'beautiful' as we have watched the water level rise and puddles form.

The Course at Myponga reservoir would always be described as trail style run with the track being made of gravel. Throughout winter the adventure was brought to a higher level with some of the track resembling a mud pit that reacted like an ice rink on impact! Never the less, the route has proven to be loved by many with its challenging hills and amazing views. It is a pretty great way to start your weekend!

### What is Parkrun?

Parkruns are free, weekly, community events all around the world on Saturday morning at 8am taking place in parks and open spaces.

Parkrun is a positive, welcoming and inclusive experience where there is no time limit and no one finishes last. Everyone is welcome to come along, whether you WALK, jog, run, VOLUNTEER or spectate. There is no pressure to be a runner!

### How do I take part?

Registration is completely free and only needs to be done once, whether you intend to walk, jog, run, or volunteer or do a combination of all these things! Simply complete the [registration form](#), and head down to your local event, be it Myponga or elsewhere. You can find your nearest parkrun using our [event map](#).

We'd love to see you soon! Here are so many reasons to take part! Whether you walk, jog, run, volunteer or spectate, you can learn new skills and enhance your health and happiness in the great outdoors whilst making new friends, feeling part of your local community and improving your fitness. Still not convinced? Check out loads of inspirational stories from Park runners on our [blog](#), or watch them on our [YouTube channel](#).

If you are interested in finding out more, follow us at Myponga Reservoir parkrun on Facebook or check out the Parkrun Australia webpage at <https://www.parkrun.com.au/> or email us at [mypongareservoir@parkrun.com](mailto:mypongareservoir@parkrun.com)

## Dogs on Beach During Summer

The weather is warming up and our beaches are getting busier. To make sure everyone can safely enjoy the beach, we have restrictions in place for walking your dogs on the beaches over the summer period.

From 1 December to 28 February dogs are to be on-leash and under effective control from 10am to 6pm on the following beaches:

- Morgan's Beach
- Rapid Bay Beach

- Second Valley Beach – East of the causeway/jetty only
- Myponga Beach - East of the pedestrian access point
- Lady Bay Beaches – From Little Gorge Outlet to South of the Bungala River estuary
- Carrickalinga Beach - Between Carrickalinga River and Carrickalinga Head
- Carrickalinga Beach - 100 metres either side of the beach access by the public toilets

Outside of these time dogs are permitted off-leash, but always under effective control.

Please remember to follow the local signs which are in place to protect the critically endangered Hooded Plovers.

Council encourages you to familiarise yourself with on/off leash restrictions on the beaches where your furry friend likes to run. Refer to signage or visit Council's website for complete details.

## Australia Day Event

Australia Day Celebrations are moving back to Normanville!

The 2023 Australia Day Celebrations will be held at The Village Green, Normanville.

Council will be presenting awards to the District's Citizen of the Year Award Category Winners & presenting certificates to our Community Grant Winners.

**Where:** The Village Green, Normanville

**When:** 9:00am – Thursday 26 January 2023

Following the Australia Day Celebrations, why not make a day of it and stay for **Gig On The Green**, a free community event hosted by *A Birdie Project* and proudly supported by the District Council of Yankalilla.

Gig On The Green will be an afternoon of live music with BBQ and bar facilities available 12-4pm.

# Summer Waste Collection Schedule 2022-23

To help our community recycle more, FRWA and council will double the collection of yellow Recycling and green Food Organics Garden Organics bins over the six-week summer holiday period.

The six WEEKLY collections of Recycling bins and Green bins (in eligible townships) over the peak of summer will be on your normal collection day and begin the week of 19<sup>th</sup> December 2022 and finish the week of 27<sup>th</sup> January 2023.

Please note that General Waste to Landfill bins (including those with any EC Exceptional Circumstances bins) will continue to be collected fortnightly during this period.

Over the six-week Christmas and New Year holiday period, recycling and food waste increases, therefore it is

important to provide more capacity for residents to use their recycling and green bins during this time.

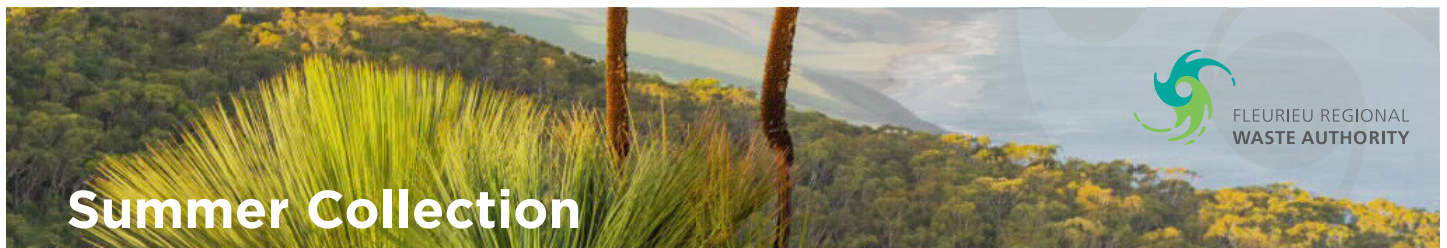

This change will increase waste disposal capacity by more than 200% over the six-week period, providing an increase in service to residents who generally have more materials to dispose of. For those residents outside of townships that do not have a green bin, there is still an increase in capacity with weekly recycling collections instead of the smaller general waste to landfill bin.

This change follows a two-year investigation into the best way to provide more opportunity for households to recycle more and reduce waste sent to landfill, with the majority of extra waste generated over the Christmas/New year period

being food and packaging. Don't forget, food waste can now go into your green bin, along with your garden waste, and please ensure only compostable bags are used, available at a reduced price at councils and the Fleurieu Regional Waste depot in Yankalilla, Goolwa and Strathalbyn.

The change will provide a significant increase in capacity of waste disposal, even for those with only a weekly recycling collection (see attached graphic showing OLD/NEW capacity).

A link to the summary of our community trial, bin audits, survey and waste data can be found here <https://fleuriuregionalwasteauthority.com.au/wp-content/uploads/2022/07/FRWA-Final-Summary-Summer-Recycling.pdf>

## Summer Collection

OLD  
Summer Kerbside Collection

**420 litres**  
of extra capacity

NEW  
Summer Kerbside Collection

**1440 litres**  
of extra capacity  
**INCREASE OF**  
**242% capacity**

# Council Decisions

The following will provide a summary of the decisions made at the 29 November 2022 Council Meeting. As always, we encourage you to read the complete agenda and minutes to get the details and a greater understanding of topics at [www.yankalilla.sa.gov.au/council/agenda-and-minutes](http://www.yankalilla.sa.gov.au/council/agenda-and-minutes)

## Mayor's Report

Nil.

## Reports of Members

Cr. Quirke provided a verbal report regarding a meeting with residents at Christ Church, Yankalilla that both she and Cr. Verwey attended.

## Deputations

Cheryl Lush addressed the Elected Members regarding the video recording of Council meetings by members of the public.

## Questions on Notice

Nil.

## Questions Without Notice

Questions were asked and answered.

## Motions on Notice

A motion from Cr. Quirke was taken on notice to be reported at the December 2022 Council Meeting.

## Reports of Officers

### Appointment of the Deputy Mayor

The report was received and Cr. Moffat was appointed as Deputy Mayor for the term of four years.

### Council Meeting Times and Agendas

The report was received and it was resolved that the Ordinary Meeting of Council will be held on the third Tuesday of each month at the Council Chambers, commencing at 4.00pm.
