Bridges Open For Business

We're delighted to celebrate the completion of two major infrastructure projects, namely the Memorial Park Bridge and the Bungala Footbridge.

Memorial Park Bridge was opened late last year. It includes a two way roadway and a pedestrian footbridge. Special thanks to the Yankalilla Bakery and Wakefield Grange for their patience during the build. Delays which arose around the construction of this project were due to a crack in the abutment which the bridge sat on. This was unable to have been foreseen until after the dismantling of the old bridge had begun. We appreciate the community's patience. The bridge was part-funded through by the State Government Residents Win program.

We're also thrilled to announce the Bungala Footbridge has also been recently completed and we will celebrate this new addition at the Bungala Fun Run on January 27. To find out more about the Fun Run, see page 3.

The Bungala Bridge was funded through Grant Funding provided by the Minister for Planning, namely the Planning and Development Fund. Funding was also received from the Developer of the Horizons Development companies. Thanks to both parties' for their contribution to the bridge.

COMMUNITY BUS

Thanks to all who supported the community bus trial throughout the district recently. This was a free service and those commuters who used the service during the trial period were asked to fill out a survey about their experience. Council will now review that feedback.

The recipients will be presented with the cheques as part of Australia Day celebrations.

COMMUNITY DEVELOPMENT ACTION PLAN

Thank you for all of the responses for the Community Development Action Plan. We appreciate all the feedback we received. The next stages include a pop up stall, a workshop and the drafting of a report.

FLEURIEU COAST: CLEAN AND GREEN

Council was excited to launch our new film Fleurieu Coast: Clean and Green late last year. The film was developed in partnership with Flinders University Screen and Media students Yehl Pedrina and Yuan Wei. The film highlights four of our local producers Gary Gum (Yankaponga Lamb), Kristy Royens (Hot Dog Fisheries), Tony Harding (Seaweave Artisan Sheep Dairy) and Sam Whitehead (Gut Feeling). This will be used to promote some of the agricultural achievements within our district to State and Federal Governments and it is expected that the film will be sent overseas to highlight our clean and green Fleurieu produce.

You can view the film at www.yankalilla.sa.gov.au.

HOME LIBRARY

The Yankalilla Library is pleased to welcome our first Home Library Customer, Mrs Lynette Stables. The service supplies library items to eligible customers once a month. To find out more about the service, please call the Library on 8558 2043.

TWILIGHT MARKET IN THE MUSEUM

Join us for a Twilight Market in the Museum to celebrate the 20th birthday of the Yankalilla Bay Visitor Information Centre.

We'll be celebrating with local producers, artisans and businesses from around the Fleurieu Coast including Allusion Wines and Smiling Samoyed Brewery. There will be Fleurieu Coast food, wine and beers stalls, market stalls, and entertainment. The fun will kick off from 4.30pm on Friday January 19 at the Yankalilla Bay Visitor Information Centre.

Visit www.visitfleurieucoast.com or 8558 0240 for morning information.

AUSTRALIA DAY CELEBRATIONS: SAVE THE DATE

Mark 26 January 2018 in your diaries for Australia Day Celebrations in Bungala Park. Festivities will include a Rock Climbing Wall & Face Painting. The Community Grants will be officially awarded on Australia Day. Proceedings commence at 9:00am followed by the Lions Club sausage sizzle.

RESIDENT'S SURVEY

Thanks to all who were randomly selected to take part in the Resident's Survey. Council has received initial results and will now review the feedback. There was a great cross-section of the community surveyed.

FLEURIEU FILM FESTIVAL

Book your tickets now for the Fleurieu Film Festival on Saturday 10 February at 6.30pm at the Yankalilla Golf Course.

The Festival has previously been held solely in McLaren Vale, however as the popularity of the event has grown, the festival has needed to expand to a second venue, split over two consecutive nights.

Council is proud to welcome the film industry to Yankalilla for this extraordinary event featuring the BEST short films of the Festival from 2016, 2017 & 2018.

The Yankalilla event will be a relaxed evening under the stars set against a backdrop of towering gums and green sloping fairways. There will be an array of fine foods, wine, market stalls and live entertainment.

This outdoor event is a widely regarded competitive short film competition held annually in the beautiful Fleurieu region in South Australia.

Tickets are on sale now.

CHILDREN'S STORY TIME PILOT REVIEW

Following a very successful 6 week Children's Story Time program pilot, and in response to strong community demand, Story Time has been programmed for 2018 commencing on Wednesday 7 February 2018 at the library.

The programs' primary focus is to foster children's development of early literacy skills while also providing an opportunity to become familiar with sounds, language and the value of books and libraries. It encouraged the development of focus, concentration and quiet time, as well as confidence to participate in public. It sparks imagination and promotes the bond between caregiver and child.

The pilot program was very well attended and elicited very positive feedback with more than 70 children and 50 adults attending the sessions.

CONSULTATIONS – HAVE YOUR SAY

CLOSING EARLY FEBRUARY

1. Cat Wandering Consultation

We are currently seeking your feedback on when a cat is “wandering at large”.

What does wandering at large mean? This is when a cat is not under effective control by means of a physical restraint and is in a public or private place without the consent of the occupier. To provide feedback head to:
http://www.yoursayyankalilla.com.au/projects/Controls_Cats -

2. Cat Bylaws

Council is currently proposing to implement a new By-law which will assist with the new legislation being implemented by the Dog and Cat Management Board regarding domestic cats. Members of the community can provide their feedback on the proposed new Cat By-law.

3. Mobile Food Vendor Locations

The State Government has passed new regulations with the intent of providing consistency for food truck operators across local government areas. The legislation has removed the capacity for Council to restrict the number and food type sold by mobile food vendors (food trucks).

Council is required to prepare and adopt location rules that set out where, within the Council area, mobile food vending businesses may operate. To provide your input on the matter head to:
<http://www.yoursayyankalilla.com.au/mobile-food-vendor>

DOG RESERVES – OFF LEASH

Just a reminder of dog controls around the district. All council reserves (unless signed otherwise) are dog off leash areas. There are two good sized reserves within Carrickalinga where dogs can be exercised off leash, but under effective control at all times. Visitors and residents wishing to exercise their dogs off leash between 10 and 6pm can do so in these areas:

- Lot 97 Shakeshaft Dr Carrickalinga
- Lot 103 Carrickalinga Rd Carrickalinga

Beach controls are 10-6pm on leash (with family friendly areas on leash at all times).
