

in the loop

Council Dives Deep to Secure Grant Funding

The District Council of Yankalilla has secured grant funding to the value of \$2.25 million to help fund two important community projects; visitor accommodation at the Jetty Caravan Park in Normanville and much-needed public amenities at the popular Rapid Bay dive site. Council applied for the funding through the Commonwealth Government's Building Better Regions Fund (BBRF) which was established to help create jobs, drive economic growth and build stronger regional communities in Australia.

Mayor Simon Rothwell said, "This funding will be applied to two very worthy projects that will benefit the community as well as visitors and we were delighted to hear of the outcome of our applications today from Hon Barnaby Joyce MP, Deputy Prime Minister and Minister for Infrastructure, Transport and Regional Development and Senator Andrew McLachlan CSC Senator for South Australia.

"The first grant is for \$2,045,450 to help fund the construction of visitor accommodation in the Council owned Jetty Caravan Park in Normanville. The project to construct attractive new cabins is a part of our broader Foreshore Masterplan and has the benefit of generating income to offset Council's reliance on rate revenue to service loans and fund projects across the whole district," explained Mayor Rothwell.

The second grant of \$210,000 is for the construction of much-needed new public amenities at the world-class diving site adjacent to the twin-jetties at Rapid Bay. The total project cost is \$420,000 and Council applied for the funding in partnership with Adbri Limited. The new amenities block will be architecturally designed to strongly reflect the coastal location and will comprise of family-friendly changerooms, toilets, showers, changing benches, storage, and fish cleaning facilities.

"We would like to thank Adbri Limited, who are matching the Commonwealth Government's funding with a further \$210,000, contributing half of the funds towards this important community project," added Mayor Rothwell.

Chief Executive Nigel Morris said that the grant funding win answers the local and diving community's call for a purpose-built diving facility.

Continued page 3...

CEO's Corner

Ask the CEO (Nigel Morris)

Q1: We would like to know when council is going to address the shockingly dangerous road deterioration of Range Rd to Victor Harbor via Delamere? – Gabby

Response: Our works department is aware of the deterioration and in August last year fixed a section of the road which is now failing again. There is a lot of groundwater in that area causing issues under the road surface which causes the bitumen to fail. There is no quick or cheap solution to fix this ongoing problem.

In the short term there will be some remedial work and to address the issue in the long term a business case will be put forward for serious capital works during our Annual Business Plan and Budget process for our Elected Members to consider.

Q2: Are Council volunteers allowed to criticize Council? – Various

Response: Council is legislated under the Volunteer Protection Act 2001. As part of the Council's Volunteer Policy, volunteers have the responsibility to demonstrate appropriate behaviour. We expect the same behaviours from our staff. Both Staff and Volunteers wear the Council logo and drive cars that carry the Council logo, these are people that represent the Council that I am proud of and I expect them to display appropriate behaviours.

I also feel that the Community coming into contact with staff and volunteers also expect these behaviours. We set these behaviours in our Volunteer Policy to ensure our high level of standards are maintained.

Q3: Is the Bus Shelter by the Normanville Village Green still on loan or has the Council purchased it? - Bill

Response: The current seat pictured is still on loan, Council currently has no intention of purchasing this seat.

Based on feedback that the above seat did not provide adequate shelter from the weather, in the adoption of the 2021/22 Annual Business Plan and Budget, Council

allocated \$16,000 for a new Bus Shelter. This infrastructure will be installed very soon and will be located more towards where the front doors of the arriving bus is located. This will allow the current seat to remain in the current position, be moved or be returned to the owner.

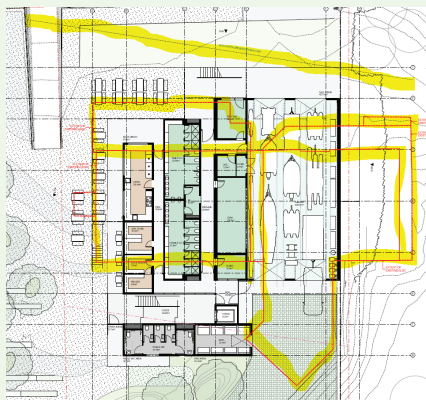

Q4: Why is it not possible to rebuild the Surf Club on its own and leave the existing Kiosk/Café - Various

Response: The current Surf Club is currently in the Heritage Dunes, the rebuilding of the Surf Club in the existing location will require it to be moved to the left (looking at the ocean) to get out of the dunes. By moving it to the left can only be achieved by rebuilding the Kiosk/Café at the same time.

The following plan illustrates the proposed downstairs plan in black compared to the current building footprints of the Kiosk and Surf Club in red with added yellow highlight.

The plan also illustrates in diagonal yellow at the top of the 2070 coastal erosion setback line.

The plan shows the proposed Surf Club (in green) moving out of the old footprint in the heritage dune, but in moving, moving into the current footprint of the Kiosk.

The plan shows just the proposed Surf Club garage being the only component of the Surf Club fitting to the current footprint of the Surf Club (once moved out of the dunes).

The combined building is unable to move closer to the ocean as it will approach the 2070 coastal erosion setback line. You can also see moving further back will go into the steep sand build up behind.

I hope this helps show why the proposed plan has been designed as two story and a combined rebuild.

You may also recall that the option to keep the existing Kiosk/Café was explored early in the process (pictured below) but this involved the Surf Club moving into the carpark to ensure the rebuild could occur out of the heritage dunes. This option received considerable feedback and this decision was later reversed and ultimately Council resolved to perform a combined rebuild of the Surf Club and Kiosk/Café in the existing location but out of the heritage dunes.

Q5: Can I have a copy of the presentation provided to Elected Members comparing the sizes of the Kiosk/Café now vs. proposed? - Various

The presentation is without commentary can be downloaded from our website. The Elected Members also resolved to attach the presentation to the October 2021 Council minutes.

Submit a question by emailing govadmin@yankalilla.sa.gov.au

Mayor's Corner

It has been a big month throughout the region with local events and funding announcements.

Firstly, congratulations to the Myponga Mudlarks Reserves Football team for taking out the 2021 Great Southern Football League Reserves premiership. The final was played at Yankalilla and was well attended by the community.

It was pleasing to see so many people attending the Yankalilla show earlier this month with the line up to gain entry stretching out to Main South road. A great outing for locals, visitors and stall holders and a well organised event by our many volunteers.

Exciting news from Regional Development Australia, on the proposed reopening of the Strathalbyn abattoir, reducing transport costs for many stock owners.

Council staff have been hard at work again securing two more grants through the Building Better Regions Fund (BBRF), for two very worthwhile projects that will benefit the community as well as visitors within our district.

The first grant is for \$2,045,450 to help fund the construction of visitor accommodation in the Council owned Jetty Caravan Park in Normanville. The project to construct attractive new cabins is a part of our broader Foreshore Masterplan and has the benefit of generating income

to offset Council's reliance on rate revenue to service loans and fund projects across the whole district.

The second grant of \$210,000 is for the construction of much-needed new public amenities at the world-class diving site adjacent to the twin-jetties at Rapid Bay. The total project cost is \$420,000 and Council applied for the funding in partnership with Adbri Limited. The new amenities block will be architecturally designed to strongly reflect the coastal location and will comprise of family-friendly changerooms, toilets, showers, changing benches, storage, and fish cleaning facilities.

We would like to thank Adbri Limited, who are matching the Commonwealth Government's funding with a further \$210,000, contributing half of the funds towards this important community project.

Council has done a great job in partnering with the Commonwealth to allow us to deliver these projects for the enjoyment of residents and visitors and to create more economic opportunities in our region.

I am also pleased to hear the Myponga Memorial Hall has also secured \$20,000 of BBRF funding for the much-needed underpinning of the hall. This is widely supported by the local residents of Myponga. It is a credit to this group of volunteers in what they have achieved so far.

Simon Rothwell
Mayor 2021

Continued from page 1...

"The project will reinforce Rapid Bay's reputation as a high-quality dive site and provide appropriate facilities and new infrastructure to unlock new economic activity for a niche tourism activity, stated Mr. Morris."

The project will be undertaken on land owned by Adelaide Brighton Cement, an Adbri company. In 2009, Adbri voluntarily entered into Licence Agreements with the South Australia Minister for Transport and the District Council of Yankalilla to provide access across the Adbri coastal land. Access is provided for members of the public for recreational activities such as fishing from the jetty and diving.

"Council will provide in-kind support for the project which has enabled the leveraging of this private and Government investment," added Chief Executive Nigel Morris.

Mayor Simon Rothwell congratulated Council staff involved in securing the grant funding.

"Council has done a great job in partnering with the Commonwealth to allow us to deliver these projects for the enjoyment of residents and visitors and to create more economic opportunities in our region," added Mayor Rothwell.

"I am also pleased to hear the Myponga Memorial Hall has also secured \$20,000 of BBRF funding for the much-needed underpinning of the hall. This is widely supported by the local residents of Myponga. It is a credit to this group of volunteers in what they have achieved so far."

Pump Track Ready to Roll

It is wheelie good to announce that the new pump track at the Yankalilla Skate Park is open and ready to shred!

Thanks to our rad funding partners that made this project possible through the Federal Government Local Roads & Community Infrastructure Program and the Department of Human Services Youth-led COVID-19 Recovery Grants administered by the Local Government Association of South Australia.

Light Up the Cape

On Saturday 18 September the *Light Up the Cape* event was held at Cape Jervis, coinciding with the 150th anniversary of the first lighthouse at Cape Jervis.

This event was originally scheduled for April within the Festival Fleurieu program. It was deferred and incorporated in the (scaled-down) Festival of Nature program.

Although it was a chilly night, over 200 people turned out to view locally produced stories and artwork that were projected onto the lighthouse. By all accounts it was a great combination of history and art, whilst enjoying the sweeping view of the ocean as a backdrop.

The Yankalilla District and Historical Society set up a display that provided great insight and information relating to the 150 year anniversary of the lighthouse.

Congratulations to the Festival Fleurieu committee on a very successful event and to Cape Jervis Progress Association, Little Turk & Co, Yankalilla Area School and Thip Royans for the delicious food options which were well-received.

GONE FISHING
10TH OCT
2021 DAY
AN AUSTRALIAN RECREATIONAL FISHING FOUNDATION INITIATIVE

Gone Fishing Day

On Sunday 10 October approximately 80 people attended 'Gone Fishing Day' at the Myponga Reservoir. Council's Community Outreach and Fleurieu Coast Community Network staff partnered with the recently formed Fleurieu Fisho's to host this event, which coincided with World Mental Health Day 2021.

The event was also supported by Fleurieu Fishing and Outdoors, Skylight Mental Health, SA Water and the Yankalilla Rotary Club.

Gone Fishing Day is Australia's largest celebration of our favourite pastime – recreational fishing. It is a national event which we celebrated on a local level. Participants were able to download the 'Gone Fishing' App and join in on the competition alongside of the rest of our nation. Gone Fishing Day aimed to showcase how recreational fishing can improve a person's mental health and wellbeing by connecting with the environment and taking time out from everyday demands.

Ashley from Fleurieu Fishos and Jeanette from Fleurieu Fishing and Outdoors initiated the idea for this event and it became a great

opportunity for Council to enable an exciting new community-led project.

Fleurieu Fishing and Outdoors provided free workshops; Fleurieu Fishos members offered support and guidance; Mel from Skylight Mental Health engaged community and provided resources; Yankalilla Rotary Club provided food; the Community Outreach team brought along the giant games for everyone to enjoy.

Fleurieu Fishos were able to promote their newly formed group which aims to enable community members to go fishing and create social connections when they may not have previously had the opportunity. Fleurieu Fishos believe there are many members of our community who would like to learn to fish but may not have the means or the skills. Members meet monthly to plan casual events where people can enjoy fishing together. They have also created a Facebook group to enable members to reach out and invite others fishing when opportunities arise.

We were very lucky with blue skies for the whole event and it was a great family day out for all who attended.

Nominations Now Open – 2022 Citizen of the Year

Nominations are now open for the District Council of Yankalilla 2022 Australia Day Citizen of the Year awards.

The Citizen of the Year Awards recognise South Australians who enable their communities to be stronger as a result of their tireless efforts. These individuals offer outstanding service each day and so often this is invisible to us. They don't do it for the praise, or for the recognition – they do it simply because it makes a difference to the people of our state.

The Citizen of the Year Awards are proudly presented by the Australia Day Council of South Australia and administered by local Councils. The Awards reward and recognise individuals and organisations that have made a noteworthy contribution during the current year, and/or give an outstanding service over a number of years, to a local community over and above normal employment duties. Outstanding contribution and community service includes areas such as; education, health, fundraising, charitable and voluntary services, business, sport, arts, the environment, or any other area that contributes to the advancement and well-being of a community.

Citizen of the Year

This is presented to someone making an extraordinary contribution to

the community and may recognise outstanding service over a number of years.

To be eligible, the person must be an Australian Citizen.

Young Citizen of the Year

This is presented to a young person who is making a real difference in their community, potentially over multiple years.

To be eligible, the person must be an Australian Citizen aged over 16 years and under 30 years of age on January 26, 2022.

Community Event of the Year

This is presented to the person or group who has staged the most outstanding event for their community.

To be eligible, the person or group must be Australian Citizens.

Award for Active Citizenship

This is presented to a person or group delivering outstanding work on an event or project for the community during the past calendar year.

The person or group need not be Australian Citizens.

Nominations can be made online <https://www.citizenoftheyear.com.au/nominate/> with nominations closing 24 November 2021

Yankalilla Council Transport Service Funding Win

The Yankalilla Council Transport Service has been successful in obtaining additional funding through the COVID-19 Emergency Support Grant opportunity via the Commonwealth Home Support Program delivered by the Australian Department of Health.

The transport service has gained an additional \$19,548 for the 21/22 Financial Year, which will cover the costs for the fifth car in the service's fleet as well additional staff hours and general administration.

The transport service has seen considerable growth this year and it is anticipated that it will continue to grow moving forward.

This grant funding is a significant achievement by our Transport Service team and will support the team to continue providing a much needed service to our community.

If you would like more information on the Transport Service, please contact the Co-ordinators on their direct line 8558 4086.

Goondooloo Ridge Family Friendly Walk Opens

Wednesday 29 September saw the Official Opening of the Goondooloo Ridge Day Visitor Facilities.

Located in the Deep Creek Conservation Park, the facilities are part of the \$6m Wild South Coast Way project. The new facilities and upgrades will enhance sections of the existing iconic Heysen Trail from Cape Jervis to Victor Harbor.

New facilities at Goondooloo Ridge include; designated picnic nodes with tables, accessible toilets, sealed carpark, road-side bus parking and interpretative signage, a spectacular lookout with views of Backstairs

Passage and Kangaroo Island and the Goondooloo Ridge Walk – a 4.2km return class 2 trail.

Officially opened by Hon David Speirs MP, Minister for Environment & Water, the opening was attended by Chief Executive Nigel Morris and Deputy Mayor Leon Zarins.

The Wild South Coast Way on the Heysen Trail has been supported by the South Australian Government through the National Parks and Wildlife Service and with project partners, Friends of the Heysen Trail, District Council of Yankalilla and the City of Victor Harbor.

Myponga Parkrun

Are you an avid walker or runner?
Perhaps you are looking to make new
social connections or get motivated?

We are looking at launching a
parkrun locally and are seeking
support from the community support
to get it off the ground.

All Parkrun events are timed and are
added to your history AND every
time you volunteer that is also
recorded. What a great way to give
back to the community!

Each event requires 5-6 volunteers to
be run. Could you spare some time
once a month for that? Connections

have already been made within
parkrun and grants have been
submitted.

If you are interested in getting on
board or being kept in the loop
please contact Tia Russell tia.russell@yankalilla.sa.gov.au

Council Decisions

The following will provide a summary of the decisions made at the 19 October 2021 Council Meeting. As always, we encourage you to read the complete agenda and minutes to get the details and a greater understanding of topics at www.yankalilla.sa.gov.au/council/agenda-and-minutes

Mayor's Report

The Mayor's report was noted.

Mayor Rothwell also presented an award to the Overall Winner of the Mayors Short Story Contest.

Declaration of Interest

Cr. Spilsbury declared an interest in Agenda Item 12.1 Normanville WW1 Avenue of Honour & Cr. Quirke declared a perceived conflict of interest in the Normanville Foreshore Redevelopment.

Reports of Members, Delegates and Working Parties

Cr. Quirke spoke regarding the success of the recent Yankalilla Show and offered a commendation to the show committee.

Questions on Notice

Cr. Rowlands questioned the status of roads under development (Willson-Martin, Forktree & Charles).

Cr. Verwey queried the current state of the proposed Myponga Music Festival & the ownership status of the Bus Shelter by the Normanville Village Green.

Motions on Notice

Normanville WW1 Avenue of Honour

Council unanimously resolved to support the recognition of the Normanville WW1 Avenue of Honour and approved the placing of a large interpretive, coloured sign on the brick structure in Norman Reserve, as well as committed to a contribution of up to \$1,000 to support any grant application requiring a financial contribution.

Motions without Notice

Council resolved that the Kiosk/Café Existing Lease presentation from the October Elected Member Forum be attached to the minutes of the October Meeting of Council.

Reports of Officers

Chief Executive Report

The Report was received and Council congratulated CE Morris on his recent presentation to the Public Sector Network on Improving the Operating Efficiencies of Council.

Amenities at Rapid Bay Jetty – Successful Grant Funding Application

Council resolved to send a letter to Rebekha Sharkie (Member for Mayo), The Hon Barnaby Joyce MP, Deputy Prime Minister and Senator Andrew McLachlan CSC Senator for South Australia to thank them for the Building Better Regions Funding Round 5 Contributions.

Council also resolved to write to Adbri Limited to them for funding the design of the new Rapid Bay Jetty Amenities and for meeting 50% of the construction of the community asset on their land.

Updated Information and Records Management Policy

Council adopted the Updated Information and Records Management Policy.

Updated Privacy Policy

Council adopted the Updated Privacy Policy.

Revocation of Informal Gatherings Policy & Adoption of Amended Code of Practice – Formal Proceedings of Council and Committee Meetings

Council approved the revocation of the Informal Gatherings Policy and adopted the amended Code of Practice – Formal Proceedings of Council and Committee Meetings.

Annual Review of Confidential Items

Council considered 4 items currently held in Confidence and resolved to retain these with a further annual review to take place in 2022. I

Regional Subsidiaries and Other Organisations/Entities

Fleurieu Region Community Services Advisory Committee Minutes

Council received the minutes of the meeting of the Fleurieu Region Community Services Advisory Committee (FRCSAC) meeting held on 14 September 2021.

Confidential Items

Updated Jetty Caravan Park – Normanville Opportunities Following Federal Funding Announcement

The report containing the commercial information and minutes will remain confidential for a period of 24 months or such lesser period as may be determined by the Chief Executive.

Upcoming Agenda Items November 2021

- Adoption of 2021 Annual Report and Annual Financial Statements
- Consideration of Community Grants
- Update on the actions of the Economic Development Plan
- Normanville Beach Access
- Status Update of Council's Accountable Documents
- Financial operations of the Fleurieu Regional Waste Authority (FRWA)
- Options for Track adjacent Maple Lane Hay Flat following local consultation
- Library/The Centre Naming Consultation results

Meeting dates

Council meetings are held the 3rd Tuesday of each month at 4.00pm.

Agendas are available the Friday prior to the meeting and Minutes are available the Friday after the meeting, both on Council's website.

In line with COVID Capacity restrictions, places in the public gallery are limited and bookings are essential. Please contact Council on 8558 0200 to secure your seat.
