Wilampa Trail

Two New Trails Open in Second Valley Forest

The Wilampa Trail & Jones Journey multiuse trails were officially opened on the 9th December 2021 by Forestry SA and The District Council of Yankalilla.

Whether you are a walker, bike rider, horse rider or pooch walker you are going to love both of these 7km trails.

The Trails are located in the Second Valley Forest Reserve and can be accessed from Bedlam Flat Road near the corner of Range Road, Delamere.

Wilampa Trail

Suitable for walkers, cyclists and horse riders, this multi-use loop trail recognises traditional owners, the Kurna people. The name 'Wilampa' comes from Kurna language meaning 'black cockatoo with yellow or white feathers', in recognition of the endangered Yellow Tailed Black Cockatoo known to inhabit the forest and feed on the seeds of pinecones.

Starting at gate BF12 off Bedlam Flat Road, the trail traverses a network of fire tracks through pine plantation and a mixture of hardwood species. Sections of the trail follow the creek line and passes the Second Valley Forest depot and historic sheep yards.

Distance: 7 km return.

Time: allow 2 hours to walk or 1 hour to ride the whole trail.

Jones Journey

Suitable for walkers, cyclists and horse riders, this multi-use loop trail is named after the Jones family, who have a long and illustrious association with the forestry department, with over four generations of service predominately in Second Valley Forest. Starting at gate JO2 off Bedlam Flat Road, the trail traverses a network of fire tracks through pine plantation. Keep an eye out for soaring Wedge Tailed Eagles

along the way. The trail includes good views of the surrounding farmland and Fleurieu coast.

Distance: 7 km return.

Time: allow 2 hours to walk or 1 hour to ride the whole trail.

These two new trails make up the first formalised trail network within the Second Valley Forest, providing new recreational opportunities and increased access to the forest.

The new visitor carpark has been established off Bedlam Flat Road thanks to our depot team, providing parking and a turnaround point for horse floats.

For more information on the history of forestry and the timber industry, stop in at the Fleurieu Coast Visitor Centre - home of the Yankalilla & Districts Historical Museum, and view the Jones Collection at 163 Main South Road Yankalilla.

CEO's Corner

Ask the CEO (Nigel Morris)

Q1: What are you doing for Christmas?

Response: I'm taking a nice break from 25th December to 7th January 2022. I'm looking forward to spending time with my family, catching up with friends and doing a little bit of gardening.

Mayor's Corner

Another busy month with meetings and events to round out the year.

Council adopted the 2020/2021 Annual Report at the November meeting, listing our achievements over the past year and our financial status moving forward.

I had the pleasure of welcoming visitors and officially opening the Yankalilla Classic Motor Show hosted by the Yankalilla and Districts Lions Club. While they were expecting some 120 cars to enter, these numbers were exceeded with over 200 cars entering and well over 1000 people attending. The warmer weather encouraging many to get out and about. It was a well organised day by the Lions and a great fundraiser for the community.

A visit to the Yankalilla Community Nursery was encouraging to see so many volunteers planting and maintaining seedlings as well as building new green houses for the many seedlings ready to go to projects throughout our district. This group led by Corey Jackson – Coastal Conservation Officer, have increased their capacity from 3-4,000 seedlings to over 40,000 seedlings annually. An amazing effort.

Council currently have 72 volunteers that service the CHSP Transport Service, Visitor Centre and the Library. I attended the volunteer lunch and presented 5, 10 and 20-year service awards to some of the many valued volunteers. They do an amazing job and without them

we would not be able to offer the current levels of service offered.

The District Council of Yankalilla have many volunteers from various groups, including Council services throughout the district. I would like to thank all our volunteers for the many services they offer in our area.

I was asked to attend the opening of the new Second Valley walking trails, to open the Wilampa trail and it was an honour to stand along side Merv Jones to open the Jones Journey. The Jones Family have had a long history of working in our local Forests.

I walked the Wilampa trail on the 11th with the family and dogs and was impressed with the scenery, variety of tracks and size of the area available to explore. We missed a marker or two and our 7km walk extended to 9km. We will be back to walk the Jones Journey.

A drive to the yet unopened new Heysen trail camp site at Parawa was impressive with new landscaping, shelters and campsites. One to keep an eye on once opened.

Our district is becoming a sought-after destination for residents, rate payers and visitors, with many more projects in the making. Keep an eye on Council's website and Facebook page for updates.

I would like to wish all residents, rate payers and visitors to the District Council of Yankalilla, a happy and safe Christmas and New Year.

A Woof From The Mayor's Dogs

The pawfect morning walk with Digger, Milli and cousin Dunkley on the newly opened Wilampa Trail in the Second Valley Forest.

The trail is full of new smells with sticks and pine cones to chew. Two dams along the trail allow a rewarding drink, ready for the next adventure. There is lots of shade on the walk, with many logs for our masters to sit and rest. It is a 7km walk but according to our pedometers we think our masters missed a marker or two so was closer to 9 km. Tails will be wagging when we tell our pooch pals.

It has our sniff of approval and we will be back to explore the Jones Journey next time.

FRWA Survey

Last year FRWA conducted a Summer Recycling Collections Trial to determine if weekly recycling and FOGO collections over the summer period increased recycling and diverted waste from landfill. To complete the recommendations from the Summer Recycling Collections Trial final report 20/21, FRWA will conduct bin audits and engage with the community to further understand and develop the most effective recycling and waste management service for the summer period.

Part of this community engagement is a Recycling Survey, where

residents who complete the survey go into the draw to win a \$200 visa gift card.

You can complete the survey online here by scanning the QR code with your phone camera or a QR Reader app.

Myponga Parkrun

Are you an avid walker or runner? Perhaps you are looking to make new social connections or get motivated?

We are looking at launching a parkrun locally and are seeking support from the community support to get it off the ground.

All Parkrun events are timed and are added to your history AND every time you volunteer that is also recorded. What a great way to give back to the community!

Each event requires 5-6 volunteers to be run. Could you spare some time once a month for that? Connections have already been made within parkrun and grants have been submitted.

If you are interested in getting on board or being kept in the loop please contact Tia Russell tia.russell@yankalilla.sa.gov.au

More information about Parkrun around Australia can be found <https://www.parkrun.com.au/>

Meeting dates

Council meetings are held the 3rd Tuesday of each month at 4.00pm.

Agendas are available the Friday prior to the meeting and Minutes are available the Friday after the meeting, both on Council's website.

In line with COVID Capacity restrictions, places in the public gallery are limited and bookings are essential. Please contact Council on 8558 0200 to secure your seat.

Tuesday 18 January 2022

Tuesday 15 February 2022

Thank you to our Volunteers

On Wednesday 8th December the District Council of Yankalilla, represented by Mayor Simon Rothwell, Deputy Mayor Leon Zarins and Chief Executive Nigel Morris, hosted the Volunteer Team at Lady Bay Hotel for the Annual Christmas Lunch and Service Award presentations.

Community Transport:

The 38 strong CHSP volunteer team assisted 401 Active clients and in the last financial year they took 1,950 residents to appointments, totalling 4,419 service deliveries, covering 160,888 kms, which is equal to 11 trips around Australia!

This is up 21% on 2020 service deliveries and included destinations such as Victor Harbor (624 trips), Flinders Medical Centre (272), Adelaide (145), Noarlunga/Morphett Vale (139) and 386 local drives.

A 5th Community Transport vehicle has been added to the fleet to help with the increase in demand.

Fleurieu Coast Visitor Centre:

The Fleurieu Coast Visitor Centre's 25 Volunteers welcomed 8,412 guests through its doors in 2020/2021 and responded to 6,997 phone and social media enquiries.

During Festival Fleurieu the FCVC was instrumental in managing the event bookings for 24 events. In addition, the Visitor Centre was host to numerous events and became an information hub for all visitors to the region who wanted to experience Festival Fleurieu.

Yankalilla Library:

During the 2020/2021 financial year, a total of 9 volunteers supported the Yankalilla Library service with 547 hours of work despite our Covid-19 challenges.

During the year the Yankalilla Library had 31,300 visitors; lent 26,300 items; delivered 278 programs which were attended by more than 1200 people.

Service Awards:

Council would like to congratulate and give special thanks to the following volunteers that achieved incredible milestones for their Years of Service in 2021;

5 Years:

Chris Andrews
Ian Arnold
Peter Parsons
Jennie Taylor

10 Years:

Margret Clark
Leo Montgomerie
Karen Toleman
Rodney Goddard
Doreen Helbers

20 Years:

Ann Henriksen

It can't be understated how much the community appreciates all that the volunteer team do.

The services our volunteer team are involved in could not happen without their commitment and they really deserve a massive pat on the back.

Community Nursery End of Year Wrap Up

Over the last year the nursery expanded its footprint within the District Council of Yankalilla's Works Depot and improvements in facilities commenced with help from Council staff who constructed a sheltered area, plumbed and powered the site. Upgrade works continue with an extension to the working area shelter being undertaken due to an increase in regular volunteers.

Over 40,000 local native plants have been propagated and grown by the volunteers this year with ongoing support, direction and planning by Corey Jackson, Coastal Conservation Officer supported by Green Adelaide and hosted by the District Council of Yankalilla. Grant funding and volunteer support from Conservation Volunteers Australia was completed with aims achieved of building up local volunteer numbers and providing an opportunity for people to be active in natural area restoration activities.

In developing this facility to its current capacity, we acknowledge the great support that we have been able to secure from the following organisations:

- District Council of Yankalilla providing initial funding and 'in-kind' support for use of land, power, water and staff who worked on improvements to the Nursery site.
- Green Adelaide Landscape Board – ongoing Coastal Conservation Officer support and funding for the community nursery.

- SA Health, Office for Ageing Well, Age Friendly SA grant - Greening the Fleurieu Coast and Green Gym projects.
- Coast Protection Board - Coastal Communities grant 2020/21 funding the Gazania Free Gardens Plant Swap program.
- One Tree Planted – supporting the Gazania Free Gardens Program and funding the new greenhouse.
- Foundation for National Parks – providing funding for all the new nursery upgrades including a portable toilet and nursery/ planting trailer.

In the 2021 we have expanded our volunteer database to 50 people and have regular volunteer attendances of between 12 and 20 people on the first and third Monday of each month with some additional working bees. This has resulted in a conservative estimate of 800 to 900 volunteer hours this year, which translates to approximately \$33,000 to \$38,000 of volunteer value.

A celebration was held at the Fleurieu Coast Community Nursery on Monday the 6th of December during the last working bee for the year. Mayor Simon Rothwell and Councillor Glen Rowlands attended the event and thanked the volunteers for their contribution to council and community projects.
