Activities

1. Night telescope

Materials- cardboard roll, blue cellophane, rubber band, stick on stars
Cut out a piece of cellophane approximately 10cm square. Stretch the square over the end of the tube and secure it with a rubber band. Stick two or three stars on to the cellophane. Hold the 'Telescope' up to the light or the window and look through it.

2. Make up your own animal story

Use animal sounds to tell a story.

Once upon a time a fluffy(miaow) and a tiny little red(squawk) went for a walk on a farm. They came across a pen of (oinks) with squiggly tails...

3. Spot animals

Place pictures of animals outside or inside.

Take a walk with your torch. What animals can you discover?
