

Submission for Consideration Regarding the Local Nuisance and Litter Control Act 2016

The *Local Nuisance and Litter Control Act 2016* is significant legislation for councils in South Australia and is anticipated will assist in resolving local nuisance complaints. The Act also has a strong focus on managing littering and illegal dumping across South Australia.

The Act confers a significant role on to councils to implement the legislation and this form is to be used when wishing to communicate with Council a matter of concern.

Please read this form and the associated Factsheet/s through prior to completing and submitting this form (Factsheet 4 – Local Nuisance and Factsheet 11 – Nuisance (Noise)).

Use this form when reporting NUISANCE (NOISE)	
Name:	
Address:	
Phone Nos:	
Email:	

NOTE:

Local noise nuisance sources can originate from a number of different residential, commercial or industrial sources such as:

- Construction or demolition works
- Air conditioning compressors
- Domestic pool pumps and spas
- Indoor venues / outdoor events
- Refrigeration equipment
- Power tools and other machinery (mowers, power tools, leaf blowers, compressors, impacting tools, mulchers)
- Rubbish collection, street and vegetation maintenance.

If noise is emanating from an industrial premises, contact the Environment Protection Authority (EPA) to determine if licensed by the EPA and therefore not within Council's jurisdiction. Contact numbers (24/7) 1800 623 445 or (08) 8204 2004.

The Act allows Council to consider granting exemptions from local nuisance-causing activities for short-term activities such as festivals, events or major construction activities. All exemptions are published on the Council's website. Please check prior to submitting form.

Address/location of source of noise

Submission for Consideration Regarding the Local Nuisance and Litter Control Act 2016

You may wish to record the sound from different locations to show how the sound has travelled or to demonstrate it.

Sound recordings

If possible, please provide recordings with your submission

Details of recording	Date taken	Location taken

Council only becomes involved if an issue within the community cannot be resolved or if the nuisance is a broad-scale issue involving multiple parties.

Have you attempted to discuss your concerns with the people (e.g: neighbours) from where the nuisance is emanating from?

☐ Yes
☐ No

If no, please provide details why this has not occurred
