Inspiring the next generation at the 2024 Youth Climate Summit

Inspiring the next generation at the 2024 Youth Climate Summit

On Tuesday, 28 May 2024, around 50 young people from local high schools met at the Encounter Bay Oval to discuss how to tackle climate change in our region.

The Youth Climate Summit aims to bring together young people across the Fleurieu Peninsula to share knowledge, explore ideas and develop skills for conserving our environment. This year's theme was 'Find Your Voice'.

Students had the opportunity to hear from a range of guest speakers, including Kyla McHughes, a Ngarrindjeri artist and language teacher, and Tiffany Nay, a representative of Coorong, Lower

Lakes and Murray Mouth Research Centre.

Students at the summit gained practical skills and knowledge through a series of workshops tailored to their personal interests. These workshops provided them with tangible concepts on making a difference in the fight against climate change.

Workshops included Ngarrindjeri Language, Storytelling and Weaving Nunga Bands with Kyla McHughes, Climate Justice 101 & Growing Groups in Schools with the Australian Youth Climate Coalition (which included how to start a movement and how to speak to be heard). In these workshops, young

people discovered where to find resources for support and how to get involved at a state level.

The Role of Food in Climate Change with Liz Sanders from The Food Embassy included exposure to potentially new food and drink available locally, why food miles matter and the importance of seasonal produce.

This image depicting a Fish (Ma:mi) [photo above] in a collaborative live art installation, formed by the students, organisers and presenters at the event, is an example of using art for activism. It is a reminder that there is plenty going on below the surface.

MAYOR'S MESSAGE

Joint Progress Association Meeting – Cape Jervis

I would like to thank the Cape Jervis Progress Association for arranging the Combined Progress Association meeting at The Cape on 25th June. It was an impressive turnout, considering it was a wild and wet night.

It was an enjoyable and memorable event. It was great to hear what each group has done and is doing in their towns. It was just fantastic being amongst a group of positive, community-minded people who are passionate about making a difference for our community.

Yankalilla and Districts Lions Club 39th Handover Dinner

It was an honour to attend the Lions Handover Dinner

Next year, the Yankalilla & District Lions Club will mark its 40th anniversary. Over the past four decades, this club has built a strong

history of community service, consistently improving the lives of others and I would like to extend my heartfelt gratitude to each and every Lion for their dedication, hard work and passion.

Fleurieu Peninsula Health & Care Expo

I had the pleasure of opening the Fleurieu Peninsula Health & Care Expo. This StudyAdelaide tour aimed to introduce highly qualified, work-ready graduates to prospective employers in the health care, allied health and aged care sectors in our region.

- 41 Students attended the tour
- Included Site Tours of:
 - Victor Harbor Hospital (Southern Fleurieu Health Service)
 - Resthaven, Port Elliot
- 18 Businesses (Employers) attended the Lunch/Networking and Employer Expo at McCracken

- The total number of attendees for the Lunch/Networking and Employer Expo was approximately 90 (this includes students, staff, and Businesses)!

As we have a growing aging population, creating numerous career opportunities for health and care careers in our district and across the Fleurieu Peninsula, the need for more staff is critical. There is a growing need for a wide range of health services, including general healthcare, specialised treatments and allied health services.

The students were impressed with our district and the facilities on offer – hopefully we get more than our share choosing the Fleurieu Peninsula to start their career.

Regards,
Darryl Houston
Mayor

CEO'S CORNER

I am pleased to announce that at the Special Council Meeting on 25 June, our Council adopted the 2024-25 Annual Business Plan & Budget. This plan, along with the Long-Term Financial Plan (LTFP) 2024-34, underscores our commitment to financial stability and responsible governance.

A significant highlight of this year's plan is the introduction of quarterly Strategic Financial Sustainability Workshops to be held with our Executive Leadership Team and Elected Members which aim to develop a comprehensive three-year financial plan. This initiative represents our dedication to addressing key community concerns and ensuring a sustainable financial future with the workshops focusing on crucial areas such as asset management, service levels, rate models and ratios together with debt management so as to provide a holistic approach to our financial planning.

I want to thank our community, Elected Members and staff for their invaluable support, dedication and input throughout this extensive process. The enthusiasm and constructive feedback have been instrumental in shaping a budget that reflects our collective aspirations and priorities. The adopted Annual Business Plan & Budget is now available on the Council Website, and it will guide our resource allocation and implementation planning discussions moving forward.

Also, in June I had the pleasure of attending the Cape Jervis Network and Nibbles Night alongside the Mayor. This event, organised by the Cape Progress Association, brought together various Progress Associations from across the district to share their accomplishments and discuss their future plans. The evening was a testament to the power of community spirit and what can be achieved when we work together which I found uplifting.

The dedication and hard work of our Progress Associations are truly inspiring. Their commitment to improving our local areas and enhancing the quality of life for all residents is commendable. It was a privilege to engage with such a passionate and driven group of individuals and I extend my sincere congratulations to all involved.

Lastly, as the voting period for the Supplementary Election concludes and the Electoral Commission counts the votes, the Council, its staff and the community are excited for the results and I personally look forward to welcoming the successful candidate to their new role and helping them succeed through their term.

Nathan Cunningham
Chief Executive Officer

The image, credited to Libby Tozer and supported by Jesse Ehlers, Nisa Schebella and Kyla McHughes and taken by South Coast Aerial Images, was posted on social media along with the campaign statements made by students on the day regarding Climate Change.

“The youth had some incredible insights, ideas and even potential solutions during the Youth Climate Summit. Hopefully, this image is another drop of hope in the pond, allowing youth to be both seen and heard in the larger climate change conversation.” said Ms Tozer, “Microplastics found in fish are also

being found in humans and climate change is affecting nature, which includes us.”

To conclude the day, students created their own personal Climate Action Plan to take home and implement in their daily lives. A follow-up day was held at the Coorong, Lower Lakes and Murray Mouth Research Centre, where students delved deeper into the impacts of actions on climate change and were able to explore the Goolwa Barrage system and understand the cause and effects of this implementation on the environment, agriculture and economy.

They explored the impacts of global warming and rainfall changes in our region and how this will affect them and the future.

Students will be encouraged to join existing community groups and programs to continue this journey of learning or to begin their own groups in school using the newfound skills they have learned.

The Youth Climate Summit has been a collaboration between the District Council of Yankalilla, the City of Victor Harbor and the Alexandrina Council.

Council Rates

Council Rates Payment Reminder

2024-25 Rates Notices have been sent via email (EzyBill) or post, depending on your preferred contact method.

1st Quarter Payments are due by 2 September 2024.

Having difficulty paying your council rates?

If you have (or are likely to have) difficulty in paying your rates, please get in touch with Council's Rates Administration at council@yankalilla.sa.gov.au or on 8558 0200 before your rates fall into arrears to discuss options that may be able to assist you.

EzyBill – Receive Rate Notices via email

Did you know that you can receive your Council Rate Notice by email?

All you need to do is register your property using the details on your existing Rates Notice with Ezybill.

To get started, simply visit www.yankalilla.ezybill.com.au and follow the registration process.

Once registered, you will receive your future Council Rate Notices directly to your email inbox, making it easier to manage your finances and stay on top of your payments.

How to stay

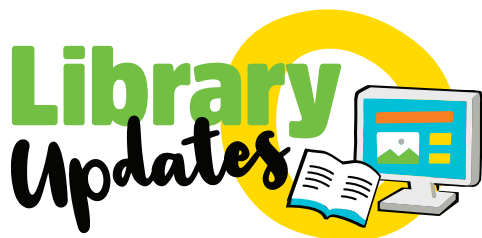

Council delivers its news in different formats, and you have the option of receiving it in the best way that suits you!

Pick up a hard copy in Council facilities and various public outlets throughout the District. Alternatively, you can find monthly editions and subscribe to receive it by email, by scanning the QR Code or visiting https://bit.ly/dcy_intheloop

If you cannot access our news in any of the above formats, request to have

a hard copy posted to you by calling us on 8558 0200 or by emailing council@yankalilla.sa.gov.au

Mayor's Christmas Card Competition

On July 10th, the Mayor's Christmas Card Competition was kickstarted with a school holiday activity at the library.

Following the School holidays, each of the schools and the children's centre will be encouraged to submit entries.

The entries are on display in the Library.

The closing date for entries is August 31st. Mayor Houston will then choose the winning entry for his official Christmas card for 2024.

Children's University Terrarium Workshop at Yankalilla Library

Children's University provided a Terrarium-making workshop during the July School Holidays.

Children participated in an hour-long terrarium-making session, recycling large coffee jars into beautiful terrariums. Children learnt how to layer everything in the jar to make the best living conditions for the plants using soil, gravel, jars, plants, and decorations.

Children's University Australasia and Africa (Indian Ocean) (CU) is an educational outreach program hosted by the University of Adelaide and other universities around Australia, New Zealand and Mauritius. Its main aim is to raise educational

outcomes for young people (5-14 years), especially those living with disadvantages, primarily social, educational and locational.

Children who complete the relevant activities receive recognition through our Passport to Learning and once certain learning milestones are met along the way, members are invited to attend an end of year graduation ceremony where children receive awards that recognise and reward their participation.

Yankalilla Library has been accepted as a learning destination and we ensure that our activities feature an element of learning new skills.

It's Dog & Cat Registration Time

Dog and cat registration renewals have been sent via email, SMS or post depending on your preferred method of contact in [Dogs and Cats Online](#).

Renewing your registration is super easy, but there are a few things to remember:

You no longer get a new tag every year. The grey tag is your pet's for life. Please keep the one you already have, or you may like to personalise it and have the number engraved on a metal one.

Check and update your personal details when renewing your registration, this helps us identify your pet and return them home if they get lost.

All registrations are due by 31 August 2024.

A purple banner for dog and cat registration renewal. It features a black and white dog and a grey tabby cat. The text reads: "Dog and cat registration RENEW NOW", "DOGSANDCATSONLINE.COM.AU", and "Before 31 August". Logos for the Dog-Cat Board and the Government of South Australia are at the bottom left.

Subsidised Cat Desexing Program for DCY Residents

The District Council of Yankalilla, in partnership with the Dog and Cat Management Board, the National Desexing Network and our local vet, is pleased to offer a subsidised desexing program for our community members. This initiative aims to support residents with the cost of desexing their cats, ensuring the health and well-being of our feline friends.

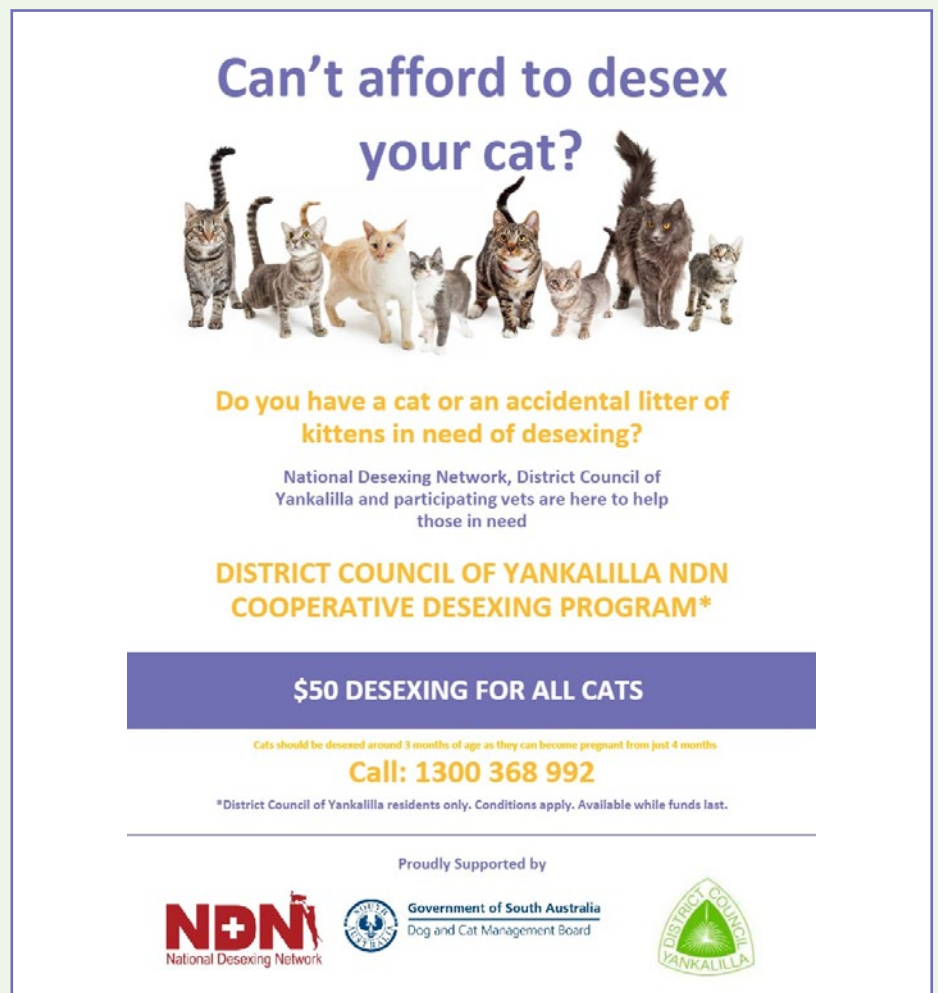

Eligible residents of the District Council of Yankalilla will receive a subsidised rate to have their cat desexed. This program is managed by the National Desexing Network. To determine eligibility, residents can contact the National Desexing Network on 1300 368 922. If eligible, they will receive a desexing voucher, which they can then use to schedule an appointment with the participating vet.

These subsidies are available **while Council funds last**, so residents are encouraged to take advantage of this opportunity promptly.

Desexing cats between 2 and 4 months of age is highly recommended. Early desexing helps ensure male cats are less likely to fight, roam, and spray, while female cats can become pregnant as early as four months old and can breed continuously thereafter.

We are committed to the welfare of our feline friends and the well-being of the community. Join us in promoting responsible pet ownership.

For more information, please visit <https://ndn.org.au/low-cost-desexing/>

A flyer with a white background and a purple border. It features a row of various cats. The text reads: "Can't afford to desex your cat?", "Do you have a cat or an accidental litter of kittens in need of desexing?", "National Desexing Network, District Council of Yankalilla and participating vets are here to help those in need", "DISTRICT COUNCIL OF YANKALILLA NDN COOPERATIVE DESEXING PROGRAM*", "\$50 DESEXING FOR ALL CATS", "Cats should be desexed around 3 months of age as they can become pregnant from just 4 months", "Call: 1300 368 992", and a footnote: "*District Council of Yankalilla residents only. Conditions apply. Available while funds last." Logos for NDN, Government of South Australia, and District Council of Yankalilla are at the bottom.

Capital Projects Update

Welcome to the July Capital Projects Update. This regular feature keeps you informed about the progress of various Council projects. We encourage you to read the July Capital Projects Update Report to Council for more details. Here's a look at some of our key projects this month:

Normanville Foreshore Enhancement Program

To mark World Environment Day on 5 June, the Council's Parks and Gardens team prepared a part of the heritage-listed Normanville dunes for a unique planting event. Council staff, along with support from the Fleurieu Environment Centre and dedicated volunteers, transformed the area around the Surf Life Saving Club.

Additionally, Council's Depot Staff have taken advantage of recent rainfall to plant the garden beds near the Normanville Surf Life Saving Club. They used similar plants to the existing coastal plantings, which will help nest the building into the natural surrounding environment and hide unsightly skip bins and the back of the house area of the building.

Range Road Reconstruction – Special Local Roads Funding Program - Parawa

Council's Manager Assets and Infrastructure has reviewed the pavement reconstruction design by Greenhill Engineers. This significant project involves extensive reconstruction of approximately 900 meters of Range Road this financial year, from Illawong Road to Tunkalilla Road, specifically from Property 1111 to 1195.

Different pavement treatment options are being explored to find the best solution, considering factors such as the environment, construction time, long-term performance and value for money. The project will also include new road shoulders and significant

drainage improvements to manage water and extend the pavement's lifespan.

Intersection of Pages Flat Road and Main South Road, Myponga

In line with recent discussions, Council staff are preparing to formally approach the Department for Infrastructure and Transport (DIT) about reducing the speed limit from 100km/h to 80km/h between Hindmarsh Tiers Road and the intersection with Main South Road.

This traffic calming measure was supported in principle by officials from DIT during the Elected Members Information and Briefing Session on 4 June 2024. The speed reduction will be consistent with the current 80km/h posted speed on the Main South Road approach to the intersection.

The team is also investigating low-cost options to improve the amenity of the large traffic island under Council's care and control.

Blacker Road Bridge

A review of the proposed bridge replacement design by Tonkin Consulting is well underway. The replacement structure will be a fit-for-purpose design in keeping with the role and function of Blacker Road and not too dissimilar from the Sargent's Road culvert/ford structure across the Yankalilla River, some 500 metres downstream.

Scenic Way – Township Sealing Program

Landscape works have been completed at the end of Scenic Way, adjacent to Gold Coast Drive in Carrickalinga, marking the completion of the Scenic Way Road and drainage upgrade project.

Council soon will re-engage with FMG to progress the road and drainage design phases for Petrel Close and Gulf Close in Carrickalinga and

Barnard Street in Normanville as key capital upgrade projects in this year's Budget.

Library/Cultural Centre Precinct

A new paved pathway has been built between the Library and the new Community Garden. This pathway will help provide access for the dedicated volunteers of the Yankalilla Community Garden Working Group, which is supported by the Fleurieu Environment Centre.

The new path connects with the existing path behind the library, allowing convenient access to the Community Garden, even when the library is closed.

New plants have been added near the car park and along the library frontage to enhance the area's visual appeal. Additionally, a new post-and-rail fence will be installed between the car park and the Library/Cultural Centre entrance. This fence is designed to improve pedestrian safety and prevent incidents, such as a child running out of the Library and towards the Skate Bowl. The fence will stop the child from gathering speed downhill and potentially falling over the unprotected, steep northern edge of the Bowl.

These improvements have been substantially funded through the Australian Government's Local Roads and Community Infrastructure Program.

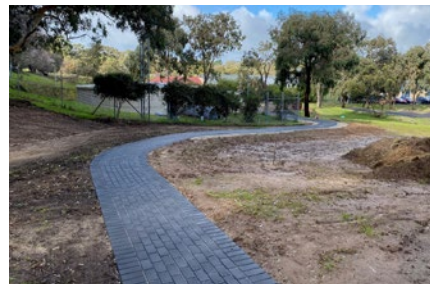

Welcome to this month's edition of Depot News! We are thrilled to highlight the exceptional work our dedicated Depot Staff carried out across the district. Their efforts ensure our community remains safe, accessible and beautiful. Here are some of the projects they've been working on:

Carrickalinga North Bay Entrance and Pathway

Our Urban Services Team has constructed a new entrance and pathway to Carrickalinga North Bay, making access safe and accessible for all users. This improvement ensures that everyone can enjoy the bay's beauty.

Library/Cultural Centre Precinct

We've been busy preparing the earthworks for a new paved path between the Library and the new Community Garden and adding an abundance of new plantings adjacent to the car park and along the library frontage. We've also completed the

installation of a new post-and-rail fence between the car park and the entrance to the Library/Cultural Centre. This fence will serve as a crucial pedestrian safety and containment barrier, mitigating the risk of incidents, such as a young child inadvertently running out of the Library and towards the Skate Bowl.

Scenic Way Planting

We've completed landscape works at the end of Scenic Way, adjacent to Gold Coast Drive in Carrickalinga. This marks the completion of the Scenic Way Road and drainage upgrade project.

Our Depot Staff's hard work and dedication continue to make our district a wonderful place to live, work, and visit. We are incredibly proud of their efforts and look forward to sharing more of their achievements in the coming months. Thank you for supporting their work and stay tuned for more updates in the next edition of Depot News!

Food Safety

With the Environmental Health Officer

Winter Roasts

Meat is expensive, so you want to not only make sure it is food safe but also that it is cooked to the best quality.

Firstly, buy a meat thermometer to check the temperature and follow these 6 simple tips for cooking your roast:

1. Whole cuts of red meat such as beef, lamb or kangaroo (that have not been stuffed, rolled, mechanically tenderised or flavour infused) will only have bacteria on the outside so can be cooked to your taste. As a guide, well done is 77°C, medium is 71°C and medium rare 63°C. Leave to rest for 3 to 5 minutes after cooking and before consuming. Eating these cuts of meat

very rare (under 63°C) or raw may put you at potential risk of parasitic infection.

2. Minced meat, hamburgers, sausages, livers (or other offal), corned beef and roasts that have stuffed, rolled, flavour infused or mechanically tenderised are higher risk. These should be cooked to 75°C in the centre.

3. Poultry such as chicken, ducks or turkey (including their livers) either whole or minced should be cooked to 75 °C in the centre or in the thickest part of the leg if a whole bird. Cook any stuffing separately as it will slow the cooking and the inside of the bird might not be fully cooked.

4. Pork in whole cuts such as steaks and pieces should be cooked to 70°C and roasts to between 70°C and 75°C and left to rest for 3 to 5 minutes.

5. Veggie or vegan roasts are becoming popular so follow any cooking instructions on the packaging or if you make your own cook to 75°C in the centre.

6. If you prefer fish to roasts, cook it to around 63°C or when flesh flakes easily.

Finally, raw meat and poultry juices are a food poisoning risk, so always use a separate chopping board for raw meat and another for uncooked veggies and salad and always wash your hands, chopping board and utensils after handling raw meat or poultry.

DO BUSINESS FLEURIEU COAST

Melissa Rayner from Plastic Free SA Visits Yankalilla to Prepare Businesses for Single-Use Plastic Ban

On Tuesday, July 9th, Melissa Rayner from Plastic Free SA visited the District Council of Yankalilla to audit and provide crucial information to local businesses ahead of the upcoming single-use plastic legislation changes. **Starting from September 1, 2024, South Australia will ban the sale, supply, and distribution of several single-use plastic items, including:**

- Plastic barrier bags
- Thick supermarket and boutique-style plastic bags
- Expanded polystyrene (EPS) consumer food and beverage containers
- Plastic confetti and plastic balloon sticks/ties
- Plastic bread tags
- Single-use plastic beverage containers (including coffee cups)
- Single-use plastic food containers

This initiative is part of a series of annual legislative changes that began on March 1 2021, aimed at reducing plastic waste and promoting environmental sustainability.

During her visit, Melissa provided valuable audits and expert advice on container suitability to six local businesses. She emphasised the importance of completing a free membership with Plastic Free SA to stay informed about the latest updates and available alternatives.

Businesses that missed the opportunity to meet with Melissa can contact Leanne Jones, Economic Development Support Officer, at business@yankalilla.sa.gov.au. Additionally, business owners are encouraged to engage with the facebook.com/dobusinessfleurieucoast page to access resources and opportunities for business improvement.

Kerbside Bin Collection Calendar

Australia Post has now delivered bin collection calendars to the street and PO mailboxes within the District Council of Yankalilla.

If you don't have a mail or PO box or didn't receive a copy, you can:

Collect a calendar from Council's Customer Service desk.

Collect a copy from the FRWA Waste and Recycling Depots at Goolwa, Strathalbyn, Yankalilla and Kingscote.

Email admin@frwa.com.au and we can email you an electronic copy.

From 29 June, our website will update to the new calendars. You can either download an A4 council-wide

calendar or search your address to download a day-specific version.

And the good news is there are no changes to collection zones or days.

This year we've created an A4 digital version to help people who may find the popular A5 size a little difficult to read. Email admin@frwa.com.au for a digital copy or visit the FRWA website and download it.

Don't forget to pop your bins out the night before. While the zones and days haven't changed this year, our run timings within a zone do change.

Myponga RediCommunities Update

Australian Red Cross Community Led Disaster Resilience Project - July 2024

Background

We're 18 months into the 2 year Myponga RediCommunities Project, which aims to strengthen disaster resilience at a community level. We use 4 areas to measure resilience: connection, wellbeing, knowledge and security, all of which can be improved before a disaster hits, creating a positive impact on everyday life as well as how we respond and recover together.

RediCommunities is supported by the District Council of Yankalilla and aligned with the Township Planning process, enabling input and feedback to be shared across both projects.

Workshops were run last year, to determine Myponga's existing strengths and assets, what gaps exist in resilience and who might be at higher risk in a disaster. With this in mind, a group of dedicated Myponga locals participating in RediCommunities have prioritised a list of actions and initiatives to form Myponga's Community Disaster Resilience Plan, with 21 actions underway. Some of the actions and initiatives include:

Initiatives & Actions:

Completed:

- First Aid Course - 17 participants
- Mental Health First Aid Course - 17 participants
- Myponga Women's Group established, meeting monthly
- Increased community Facebook page administrators to improve capacity
- Equipped Hall & CFS station with generator & first aid kit - generously donated by Carolyn & Jeremy Atkinson of Total Tools Lonsdale
- Red Cross EmergencyRedi workshop for community members to create their household emergency plan

In progress:

- CFS Station extension; long term relocation plan
- Emergency information training for Facebook group admins in region
- More Red Cross EmergencyRedi workshops being planned
- Community post-disaster action plan creation
- Welcome pack with emergency services contacts sheet
- Youth First Aid course & pizza night

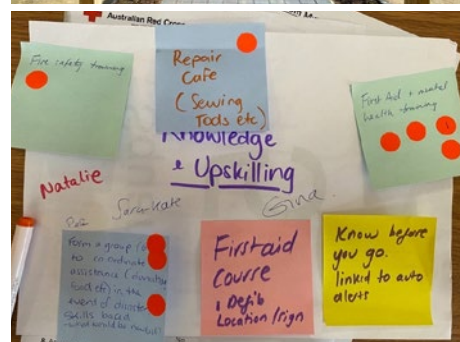

Myponga RediCommunities Group Vision:

For Myponga to be a supportive and connected community who are risk aware, ready, and work together to be resilient to disasters & emergencies.

A big thank you to Carolyn & Jeremy Atkinson of Total Tools Lonsdale, for their generous donation of a 7.5kVA generator and workplace first aid kit to the Myponga Hall, as a part of the RediCommunities Project. The generator can be used to power both the Hall & CFS Station in case of a power outage.

Interested in getting involved?

Council Decisions

The following will provide a summary of the decisions made at the 16 July 2024 Council Meeting. As always, we encourage you to read the complete agenda and minutes to get the details and a greater understanding of topics at www.yankalilla.sa.gov.au/council/agenda-and-minutes

Mayor's Report

The Mayor's report was received. Mayor Darryl Houston spoke on attending the Joint Progress Association Meeting at Cape Jervis, the Yankalilla & Districts 39th Lions Handover Dinner and the Fleurieu Peninsula Health & Care Expo.

Reports of Members, Delegates and Working Parties

Cr Quirke attended the National General Meeting of Local Government in Canberra in July. Cr Quirke also attended the 'Politics in the Pub' evening on 11 July 2024.

Cr Moffat and Cr Quirke attended the Fleurieu Region Community Services Advisory Committee on 9 July 2024.

Cr Olsson attended the Combined Progress Association Evening at Cape Jervis on 25 June 2024 and the Yankalilla and Normanville Progress Association AGM on 15 July 2024.

Reports of Officers

Volunteer Policy Review

Council received the report and adopted the Volunteer Policy V4.0, subject to any further minor administrative amendments.

Privacy Policy Review

Council received the report and adopted the Privacy Policy V3.0, subject to any further minor administrative amendments.

Burial on Private Land Policy

Council received the report and adopted the Burial on Private Land Policy V1.0, subject to any minor administrative amendments.

Independent Audit & Risk Committee Member

Council received the report and resolved to appoint Vicki Tomlinson to the vacant position of Independent Audit & Risk Committee member for a three (3) year term.

Community Grants Assessment Panel

Council received the report and endorsed the Terms of Reference for the Community Grants Assessment Panel. Council resolved that the Community Grants Assessment Panel for 2024/2025 comprise of Mayor Darryl Houston, Deputy Mayor David Olsson, Cr Polomka and Cr Quirke and is supported by the Group Manager Economy & Community.

Temporary Road Closure – Main Road, Normanville

Council received the report and resolved to support the closure of Main Road, Normanville, between the intersections of Cheesman Street/Edwards Avenue and Edmund Street for the filming of Tumbleweed by the Yankalilla Youth Theatre on Wednesday 11 September 2024 or Wednesday 18 September 2024.

Myponga Loop Event Road Closure & Traffic Changes

Council received the report and resolved to support the closure and detour of Main South Road from Hansen Street, Myponga to Reservoir Road, Myponga and Reservoir Road from Main South Road to Forktree Road and Sampson Road to run the 19 km Myponga Loop and the 8 km and Kids Dash events on Sunday 18 August 2024.

Local Government Association – South Australian Regional Organisation of Councils (SAROC) Nomination

Council received the report and endorsed the nomination of Mayor Darryl Houston for a new term being two (2) years commencing at the conclusion of the 2024 LGA AGM until the conclusion of the 2026 LGA AGM.

Monthly Finance Reports

The June 2024 Monthly Finance Report was received. Council authorised the CEO to accept the FRWA annual charge as budgeted at \$1.181M + GST and sign the necessary standing order. Council acknowledged the write off of the dog impound debtor invoices associated with SACAT ruling received on 8 April 2024.

Capital Projects Update Report

Council received the Capital Projects Update Report.

Chief Executive Officer Report

The Chief Executive Officer Report was received.

Minute Action Report

Council received the July 2024 Minute Action Report.

Confidential Items

Asbestos Contaminated Materials – Question Regarding Liability

Council moved into confidence to discuss this agenda item. The report will remain in confidence for a period as determined by the Chief Executive Officer. The minutes can be released after legal advice and if deemed by the Chief Executive Officer to no longer be outside of the public interest

Meeting dates

Council meetings are held on the third Tuesday of each month at 4 pm in the Council Chambers, 1 Charles St, Yankalilla.

Agendas are available on the Friday before the meeting and Minutes are available the Friday after the meeting, both on Council's website.

Tuesday 20 August 2024

Tuesday 17 September 2024

Elected Member Information & Briefing

Sessions are held on the first Tuesday of each month at 3 pm in a location determined by the CEO.

Agendas are available on the Friday before the session on Council's website.

Tuesday 6 August 2024 (to be held at the Yankalilla Cultural Centre and Library)

WHAT'S ON

AT THE LIBRARY AUGUST 2024

Yankalilla & District Historical Society

Wednesday mornings:

10:00am – 12noon

Assistance with family and local history.

Enquiries: YDHS: 0437 500 013 or email: yank.hist.soc@gmail.com

Advanced Care Directive support sessions

Wednesday August 7 (1st Wed. of each month) 2:00pm & 3:00pm

Would you like information/help filling in Advanced Care Directive forms? Book into a one-on-one session to receive some support from trained volunteers.

Bookings essential.

Enquiries and bookings: 8558 0200 – ask for Claire Taylor.

Tech @ the Library

Thursdays August 1, 8, 15, 22, 29

10:00am, 11:00am & 12:00noon

One-on-one help with technology related questions including Government sites and Apps, mobile phones, tablets, the internet and more.

Bookings essential*.

A Cuppa, A Chat and Craft

Tuesdays August 6, 13, 20, 27

1:00pm – 3:00pm

A friendly, casual, and relaxed group that gathers to enjoy a chat and have a cuppa while each member starts, finishes, or continues with a craft project of their own.

Come along, cuppa provided.

Bookings not required.

Weaving for wellness

Thursday August 1, 15, 29

1:00pm – 3:00pm

Enjoy the relaxing process of weaving. Discover and develop your creative potential. Share a cuppa and a yarn and make creative connections. Be refreshed and inspired by your creative time out. Become a dream weaver! Craft materials provided.

Wiggle and Giggle

Library: 08 8558 2043

Morning Tea and Tales

Thursday 29 August

10:30am - 12:00noon

Come to the Yankalilla Library for a cuppa, scones, and a chat. Every month a guest speaker will share tales of their lives, their connection to our region, or their connection to nature. All ages welcome.

Home Library Service

Delivery - Wednesday August 14

A free library outreach service to eligible residents. Call the library if you are interested or think you know someone that might be interested.

Local and Family History Service

Every Wednesday morning

10:00am - 12noon

The Yankalilla and District Historical Society are on site at Yankalilla Library, where they provide help with your family and local history enquiries. Bookings are not required for this service.

5CY Winter warmers

We are supporting the 5CY pantry over winter, by collecting non-perishable foods for those in need within our Council district. If you would like to contribute, please pop your donations in our basket at the library desk. The volunteers from 5CY will make sure they get to warm the hearts and bodies of people within our community.

OUR DCY: VISION 2030

Let's plan the district's next chapter

Earlier this year we asked our community to give us a 'pulse' on what's most loved about our district and where change needs to be considered. The feedback we have received is our foundation for informing the direction we take into Phase Two of the Our DCY: Vision 2030 project. Over the coming weeks we will connect with groups of interest across our community to explore the topics that have been uncovered so far.

What's iconic?

What do you most love?

What shall we tackle?

What do you wish was different?

If you or a group you're connected to would like to join the conversation please register your interest!

LEGISLATED BY-LAWS REVIEW | NO. 5 DOGS & NO. 7 CATS

Updated By-Laws open for comment until Tuesday 06 August 2024

Council has a general power to make By-Laws which are designed to assist council in ensuring its spaces are convenient, safe and comfortable for the community.

Six of Council's eight By-Laws went through the review process in late 2023 and the remaining two By-Laws - By-Law No. 5: Dogs and By-Law No. 7: Cats - were reviewed and referred to the Dog and Cat Management Board for comment in late 2023 and both are now open for comment from the community until Tuesday, 06 August 2024. Visit yoursayyankalilla.com.au.
