September 2022

## in the loop

## Festival of Nature

The Festival of Nature celebrates the Fleurieu Coast's communities and picturesque landscapes each Spring. After a cancellation in 2020 and a COVID-rescheduled 2021 event, the 2022 Festival of Nature has bounced back in a big way with over 30 events in the 10-day program.

Produced by District Council of Yankalilla and supported by Fleurieu Environment Centre. The Festival program not only featured guided walks, art, and environmental workshops but introduced new experiences including Science in the Pub and a First Nations cultural tour.

The major public event, the Outdoor Adventure & Eco Expo was rescheduled by a week due to inclement weather and was jointly held with the quarterly Kids Community Market. Council Group Manager, Lisa Pearson, said "This unexpected collaboration increased participation while celebrating our young entrepreneurs."

"It's great to see how nature-based activities and experiences can also be an impetus for the local community and we're keen to work together again in 2023," Ms Pearson said.

“It’s a joy to see the return of the Festival of Nature as part of the flourishing cultural life and environmental focus of our District,” Ms Pearson said.

“The program was incredibly well supported from across the Fleurieu and beyond and event feedback has been universally positive. With over 30 events, the Festival attracts a broad audience and injects new money into our local economy.”

Council thanks the South Australian Tourism Commission for their sponsorship, as well as the many event organisers that contributed to a diverse and inspiring program.

## Carrickalinga Dark Sky Consultation

The Carrickalinga Ratepayers Association are progressing an application for Carrickalinga to become Australia’s first Dark Sky Community.

In order to progress the application, it requires Council to adopt a Dark Sky Lighting Policy.

The Carrickalinga Ratepayers Association and Council are working together, and we invite you to watch the video of Professor Chris Daniels explaining the initiative, read the FAQ’s, view the draft Dark Sky Lighting Policy and provide your feedback via the survey.

The “Made by Nature” Fleurieu Coast community of Carrickalinga has only 38 streetlights. The upgrade of these lights can be achieved for little cost and effort and the Carrickalinga Ratepayers Association who are driving this proposal and will be responsible for all activities required

to receive a Dark Skies Communities Accreditation, including the cost of light shields, and working with Council on the development of a Dark Sky Lighting Policy.

Carrickalinga could then become the first Dark Sky Community in Australia. With less than forty such ‘communities’ in the world at this stage, this would be a great accomplishment indeed.

This initiative of the Carrickalinga Rate Payers Association aims to reduce light pollution, improve human and environmental health, and save both money and energy while reducing greenhouse gas emissions, so residents and visitors alike can enjoy the night skies into the future. Stargazing brings joy and wonder to all of us in different ways and the starry skies of the Fleurieu Peninsula are precious.

## District Council of Yankalilla

### Election of 4 Councillors for Field Ward

Profiles for each of the 6 candidates are printed below in the same order as their names appear on the ballot paper. This information has been provided by the candidates and neither the Returning Officer nor District Council of Yankalilla take responsibility or bear liability for the content contained within.

**M Sherry, Returning Officer**

#### **ZARINS, Leon**

I have been an elected member for Field Ward for the last 4 years. I have also acted in the role of Deputy Mayor since June 2021. During my term of office I have been privileged to be representing ratepayers not only in Field Ward but the whole of the District Council of Yankalilla. Many exciting projects have been completed or are progressing towards completion. Among these are the creation of the Normanville Village Green, a new Library, Foreshore Redevelopment and 23 new cabins in the Jetty Road Caravan Park which will increase Council revenue allowing rate relief for us in the future. The Covid pandemic caused much uncertainty in the Community and at last we all can see some relief and return to a more positive future. As I have demonstrated in the past I will if re-elected continue to be your independent voice in Council and for each and every member of our wonderful community. I seek your vote to enable me to continue to represent you.

#### **OLSSON, David**

I am a resident of Second Valley and our rural communities have become a major focus in my life. With my wife Jane, I have served our local community over the last eight years as Councillor and for fourteen years as Chairman of the Second Valley Progress Association. I am retired and formerly held the position as adviser in the Department of Environment and Water. I have demonstrated experience in policy, environment and business management and a strong background in working with community groups and community-led projects. I am committed to accountable governance, efficient council services and to supporting community values and programs, and a stronger local economy. I have a deep interest in preservation of the natural environment and heritage of our region. I understand how important farming, tourism, small business and the smaller villages are to the Fleurieu Coast. It would be a privilege to be your voice again in Council and I look forward to representing you in the Field ward.

#### **HOUSTON, Darryl John**

As a resident of Myponga for 7 years I know what a wonderful place the Fleurieu Peninsula is to live, work and raise a family. I am married with two adult children. I have worked in the Commonwealth Bank for 12 years, Insurance companies for 5 years then as a finance broker for 10 years. Currently managing our small farm and my own finance business gives me a unique set of skills and sound financial knowledge to assist our community. I enjoy being actively involved in community organisations including Chairperson of the Myponga Hall and Myponga Progress Association. I understand the need for regional development through diverse initiatives, promoting community connection and strong community engagement for future growth. My strong belief is that sound planning and good governance provides for solid long term achievements. I am ready, willing and able to work and advocate for District Council of Yankalilla to create a sustainable community that we are all proud to call home.

### **ROTHWELL, Simon**

My focus is on Family, Volunteering and Community. I've lived locally in Myponga for over 35 years where I am married to Sherryl and have raised our now 2 adult daughters, all of us are actively involved in local community and sporting clubs. I also travel extensively throughout our beautiful district through my work with over 35 years of experience in the building trade. I have now had the honor of being an elected member of the District Council of Yankalilla for the past 12 years, I currently hold the position of Mayor and previously held positions as Deputy Mayor, Development Assessment Panel member and Regional Development Australia board member. I'm known for always being available to listen and reply to peoples concerns/issues and will always endeavor to seek a resolution. I believe I have the ability and skills to work with fellow councillors to maintain and improve our district, whilst ensuring a balance between economic growth, social wellbeing and council sustainability.

### **POLOMKA, Lawrence Thomas**

My name is Lawrie Polomka currently in my third year of farming at Wattle Flat. I offer myself as a candidate for Field Ward DCY. 2010 saw me elected to Robe District Council. At 17 I left school to work on the family farm. Then I became self employed as a shearer and then shearing contractor at locations across Australia but based in Lucindale SE. During this period, a portfolio of rural land was purchased despite challenging financial times. Prudent management in budgets is a key priority to me and has been from my own dollar one. Previous interests include footy, cricket, tennis, ambulance, CFS, Lions and family. I understand the responsibilities of this position particularly with respect to ratepayers' funds. I would appreciate your support.

#### **ROWLANDS, Glen**

Having served on council since April 2014 I am renominating as I am passionate to continue with the community built strategic plan 'Natures Best Lets Plan The Rest'. I have an obligation to see the present infrastructure projects come to fruition. Throughout my business career I gained a very clear understanding of successful financial management. This experience has benefited me in overseeing and guiding councils financial management now and into the future. Financial management is also about ensuring councils assets are maintained and replaced through the vision of the asset management plan which gives guidelines of end of life. By monitoring these plans council can avoid large unplanned spends.

#### **QUIRKE, Davina**

My name is Davina Quirke and I'm here to help. I have put myself forward as a candidate for Light Ward. I am a JP, retired, 62 years young, and live with my husband in Carrickalinga. I am passionate about our community and my involvement within it. My skills include my ability to listen and represent your concerns and views in Council. I am a competent debater and am not afraid of standing up and being heard. I have competency and understanding of the Local Government Act. I believe in transparency in council and am mindful of how the decisions made in Council impact you and your family's lives. My experience on boards extends to chairing and participating on boards in Local Government and State Government sectors. Please remember I am only a phone call away at 0423008993. If you have any council issues, I will work with you to find a resolution. I consider it a privileged to live amongst you in our incredible part of the world and I care about your welfare.

#### **GIBBS, Wayne**

I lived in the Myponga area until I was 10 years old when my family moved to the Riverland. I worked in the rural financial sector, largely in the commercial lending field, for 20 years and then ran my own business in Mt Gambier for 20 years. Retired in 2015, my wife and I moved to Normanville. It was an easy decision for me to return to the area that held positive childhood memories and for my wife, whose family has a long-standing history in the Bald Hills area. I have taken a keen interest in Council's activities and been involved in setting up both the Yankalilla District Residents Association and Friends of Bungala River and am an active member of the Yankalilla Men's Shed. I believe Council needs to make Ratepayers the primary focus through strong fiscal management, integrity and consideration for the environment. I have the experience and attitude to benefit the Community in the role of Elected Member.

### **MOFFAT, Tim**

My vision for the district is for sensitive development that complements the natural beauty of our region and community ideals. I would bring to the council a naturally consultative approach with a real appreciation and understanding of the importance of local democracy, legislation, good governance and a commitment to service. Given the opportunity to represent and serve our community I would also bring to council leadership and community experience. I am a recently retired lawyer having provided expertise to local government, community organisations and sporting bodies. I have served on boards and committees including Law Society committees, a residential college in Adelaide and school council. For twenty years I have had a house at Carrickalinga (moving here permanently two years ago) and have come to really appreciate the district. I am enthusiastic about contributing to the life of this community. Contact: PO Box 296 Yankalilla SA 5203 Email: timmoffat@bigpond.com

### **VERCOE, Ed**

My wife and I have lived in the District Council of Yankalilla for the past 20 years and I am deeply passionate about our unique and beautiful area. We are currently run a mixed farming enterprise on Forktree Road that includes beef cattle and olives. I also own a dedicated olive oil packaging and export business that I have run for the past 18 years. In 2019 our business won the 'Business Excellence Award, and 'Export Award' in the the South Australian Premier's Food Awards. I am strong advocate for agricultural enterprise and have been on the board of the Australian Olive Association for over 5 years. I also sit on the South Australian Export Strategy Steering Group. I believe that my extensive experience in running an integrated 'paddock to plate' enterprise will assist in navigating what seems to be a very confusing and unsettling period within the local council area. I will ensure progress in our area, while maintaining a voice for all ratepayers and stakeholders. 0410 588 712

### **VERWEY, Bill**

I am standing for re-election as a Councillor. I have tried to represent the community in Council to the best of my ability. I believe that the fundamentals of the Council and its Elected Members is to display integrity, transparency and accountability. I believe in social justice and democratic processes. We need to create an inclusive community, harnessing the experience and expertise that is present throughout the District, facilitating consensus in addressing important issues. Every community has cultural, social and environmental issues that are important to them. It is very important, therefore, that the community is listened to. The next few years in particular will need a strong and competent Council that will take steps to ensure that the community receives prudent management of expenditure in the most efficient manner.

### **SHAUGHNESSY, Michele**

I have recently retired from Adelaide City Council after 31 years. I have a good understanding of the regulations that apply to running a council and I have experience in running council projects. I am married with two adult sons and have lived in Wirrina Cove for over 4 years. I am an active member of a number of community groups and activities in Normanville and Yankalilla and although I don't live in the Light ward, I feel this is where I would have the most contact. I am passionate about the beautiful area we live in and want to keep the area as natural as possible. If elected I will be available to listen to you and to work in collaboration with the community and council. I will support council decisions that reflect the communities needs without causing rates to rise unnecessarily. ### **GROCKE, Shane**

I have lived in Normanville since 2019, and in that time, I have been on the Yankalilla Area School Governing Council, and an admin of the Yankalilla Community Forum on Facebook. These roles require impartiality and common sense. It has also led me to meet many great people. I have over 25 years experience in small business, running an IT company and now also, as a Photographer. Working in IT has brought me across many people from small operators to large corporations, and I have learnt that respect is required no matter what. I will act as a true representative of the community, I will also be available to meet in person, via phone or e-mail at all times. I have no allegiances with any person, group, corporation, or political party. As a member of the Yankalilla Council, I will bring 3 main qualities, Respect, Patience, and Tenacity. I stand for Security, Health and Finance reforms while maintaining the beauty of our area. [shane@grocke.au](mailto:shane@grocke.au) 0481 779 893 [www.grocke.au](http://www.grocke.au)

### **DENTON, Gavin**

My wife and I, retired, since moving to Normanville have been volunteering at ACH. I am a member of the Yankalilla Men's shed and help at the Bunnings BBQ raising money for equipment and to assist people. I listen to neighbours and friends' discussion on topics about the area. We are fascinated with the beauty of the countryside. Often taking drives, exploring the many wonders of this, our country. We seek and respect the history of the area, donating an item of interest to the Yankalilla museum. It is my belief, due to experience in management, planning and other skills I offer a substantial benefit to residents. New thoughts and fresh ideas from a person who can appreciate the tranquility longtime residents require, with vision to blend old with new in harmony is what you told me is needed and vital for the future . I will listen to you; I seek your support.

## Myponga Reservoir Parkrun

The Myponga Parkrun has been brought to life by a band of enthusiastic volunteers with support from Parkrun Australia and support from the District Council of Yankalilla.

Since we have begun, our Parkrun team has seen every kind of weather imaginable. The always picturesque course has demonstrated many different types of 'beautiful' as we have watched the water level rise and puddles form.

The Course at Myponga reservoir would always be described as trail style run with the track being made of gravel. Throughout winter the adventure was brought to a higher level with some of the track resembling a mud pit that reacted like an ice rink on impact! Never the less, the route has proven to be loved by many with its challenging hills and amazing views. It is a pretty great way to start your weekend!

### What is Parkrun?

Parkruns are free, weekly, community events all around the world on Saturday morning at 8am taking place in parks and open spaces.

Parkrun is a positive, welcoming and inclusive experience where there is no time limit and no one finishes last. Everyone is welcome to come along,

whether you walk, jog, run, volunteer or spectate. There is no pressure to be a runner!

### How do I take part?

Registration is completely free and only needs to be done once, whether you intend to walk, jog, run, or volunteer or do a combination of all these things! Simply complete the **registration form**, and head down to your local event, be it Myponga or elsewhere. You can find your nearest parkrun using our **event map**.

We'd love to see you soon! Here are so many reasons to take part! Whether you walk, jog, run, volunteer or spectate, you can learn new skills and enhance your health and happiness in the great outdoors whilst making new friends, feeling part of your local community and improving your fitness. Still not convinced? Check out loads of inspirational stories from Park runners on our **blog**, or watch them on our **YouTube channel**.

# Aged Care Quality & Safety Commission Letter - Letter in file

To our "Yankalilla Council Transport Service" Clients.

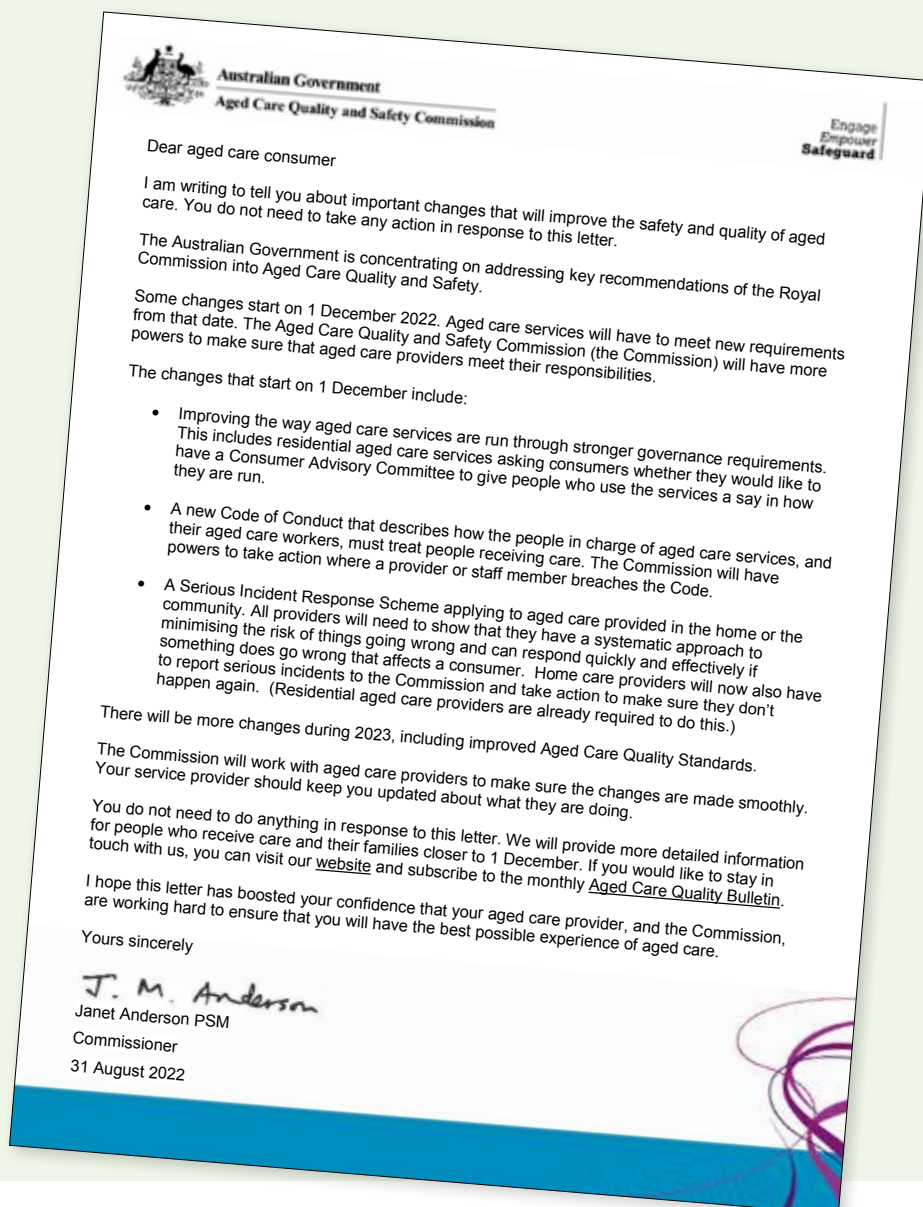

Dear Client, you may be aware of the many changes coming to our Aged Care System following the Royal Commission and acceptance of their recommendations in 2021.

A letter was received from Janet Anderson PSM, Commissioner of the Aged Care Quality and Safety Commission, advising that the first of these changes will start on the 1st December 2022 and we have been asked to pass this on to our clients and their families for their information.

Please note, you do not need to do anything in response to this letter, it is purely for your information but if you have any queries please call our direct line, 8558 4086.

Kind regards,

Brenton Le Poidevin

# Tour Down Under comes to the Fleurieu - 19 January 2023

Do you fancy a bit of fancy dress? Are you partial to lycra on wheels? Want to showcase our community to the world?

The 2023 Tour Down Under hits the Fleurieu on Thursday 19 January 2023. The peloton leaves Brighton at 11am... and will cross the Myponga reservoir wall, then pass through Carrickalinga and Normanville, there's a timed sprint through Yankalilla before riders tackle a King of the Mountain into Parawa... then on to Victor Harbor.

With the peloton going through four of our townships, we intend to leverage the massive media coverage of the Tour Down Under to showcase our communities.

The Santos Best Dressed competition has been part of the event since its inception in 1999. Theming of townships, private property and businesses adds colour and vibrancy to this international event which is beamed to over 558 million people worldwide. In recent years, Myponga proudly took out the honours for best dressed town.

For 2023, we are keen to work with businesses and community

groups to theme our townships and communities for the world stage.

If you're keen to brainstorm ideas for jazzing up our towns and businesses, I'd love to hear from you. Your commitment is a couple of meetings to toss around ideas and get a coordinated approach.

Please contact Lisa Pearson [lisapearson@yankalilla.sa.gov.au](mailto:lisapearson@yankalilla.sa.gov.au) if you are interested in being involved.

# Recycling & Green Waste Collections to Double Over Summer

To help our community recycle more, FRWA and council will now double the collection of yellow Recycling and green Food Organics Garden Organics bins over the six week summer holiday period.

The six WEEKLY collections of Recycling bins and Green bins (in eligible townships) over the peak of summer will be on your normal collection day and begin the week of 19th December 2022 and finish the week of 27th January 2023.

Please note that General Waste to Landfill bins (including those with any EC Exceptional Circumstances bins) will continue to be collected fortnightly during this period.

Over the six week Christmas and New Year holiday period, recycling and food waste increases, therefore it is

important to provide more capacity for residents to use their recycling and green bins during this time.

This change will increase waste disposal capacity by more than 200% over the six week period, providing an increase in service to residents who generally have more materials to dispose of. For those residents outside of townships that do not have a green bin, there is still an increase in capacity with weekly recycling collections instead of the smaller general waste to landfill bin.

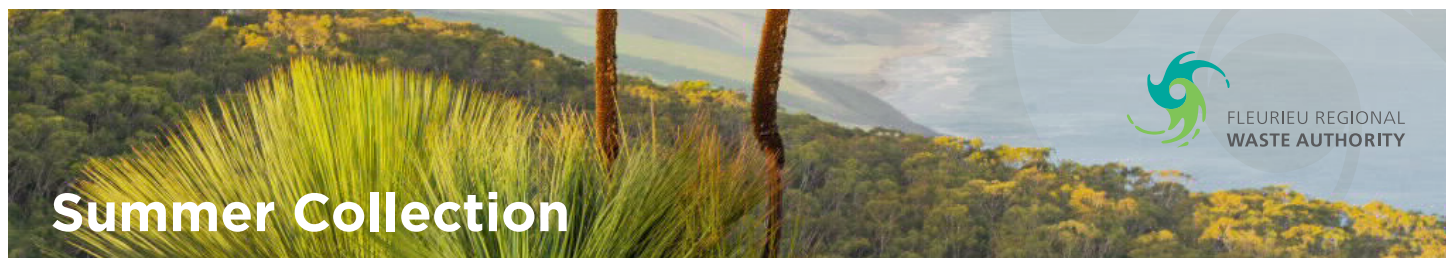

This change follows a two year investigation into the best way to provide more opportunity for households to recycle more and reduce waste sent to landfill, with the majority of extra waste generated over the Christmas/New year period

being food and packaging. Don't forget, food waste can now go into your green bin, along with your garden waste, and please ensure only compostable bags are used, available at a reduced price at councils and the Fleurieu Regional Waste depot in Yankalilla, Goolwa and Strathalbyn.

The change will provide a significant increase in capacity of waste disposal, even for those with only a weekly recycling collection (see attached graphic showing OLD/NEW capacity).

A link to the summary of our community trial, bin audits, survey and waste data can be found here
