## NOTE:

Dust is generated by many different sources and activities within a community, such as:

- Arid land and/or land clearing (exposed surfaces)
- Construction, building and/or demolition work
- Roadworks
- Activities carried on around a home

Many variables influence the nature of dust nuisance:

- Size of particles
- Chemical make-up of the dust
- Duration of exposure

If dust is emanating from an industrial premises, contact the Environment Protection Authority (EPA) to determine if licensed by the EPA and therefore not within Council's jurisdiction. Contact numbers (24/7) 1800 623 445 or (08) 8204 2004

The Act allows Council to consider granting exemptions from local nuisance-causing activities for short-term activities such as festivals, events or major construction activities. All exemptions are published on the Council's website. Please check prior to submitting form.
